**NOTES:**

1. Pursuant to Council Rule 21, any bill applying a PUD or SP overlay must have a recommendation from the Planning Commission before it can be introduced on 1st Reading at Council. This means that a bill can be filed with the Metro Clerk's office without a MPC recommendation, but the Metro Council cannot pass it on first reading until a recommendation is received. To waive this rule, the councilmember sponsoring the bill would have to ask all those councilmembers present at the Council meeting to suspend this rule. If two councilmembers objected to suspension of the rule, the bill could not be passed on first reading.
2. It is Planning Department policy that Planning staff will prepare a Council bill after a zoning application has received a recommendation from the Planning Commission. Staff will prepare a zoning bill before the application has been considered by the Planning Commission only after receiving a request from a member of the Metro Council **at least 2 weeks prior to the council bill filing deadline** Metro Council.
3. Pursuant to the Metro Council's rules, all legislation must be submitted in final form to the Council Office by noon on the Friday before the Tuesday deadline for filing the bill with the Metro Clerk's office.
4. Rezoning becomes effective after the Metro Clerk advertises its legal enactment which occurs after the bill is adopted on 3rd Reading and acted upon by the Mayor. A bill becomes effective with the Mayor's signature of approval or, if returned to the Council without the Mayor's approval, not later than the next regular Council meeting. (Metro Charter, Sec. 5.04)

\* Filing deadline moved to Wednesday from Friday due to Thanksgiving and Christmas holiday

\*\* Council Planning & Zoning Committee will meet on Tuesday due to Martin Luther King, Jr Day and Presidents' Day falling on Monday
