Subject: Ofc. Will McKay

I wanted to express my appreciation for Ofc. McKay's help this evening. I am a State employee and work downtown and had locked my keys in my car that was parked in the parking garage above the MTA terminal. Needless to say it is not a safe place to be locked out of your car. Ofc McKay and his partner were very kind to take the time to help me, so I wanted to take the time to say thank you. Thank you Ofc McKay and thank you Metro Police.
