As a resident of the former city of Lakewood, I wish to thank the men and women of the Police Dept for continued traffic enforcement in our area. I worried that when the city of Lakewood was dissolved I would see increased reckless driving and speeding in the area. I have noticed officers running radar on Old Hickory Blvd, and enforcing the school zone at Andrew Jackson Elementary School. I appreciate this as I believe it makes driving safer and keeps our school children safer. Thank you for your continued efforts.
