34144	North	12/4/2018	Youth Outreach	Educational	1	20	1	1800 9th Av N Nashville 37208	Lt Sears has been meeting with Mrs Brewer's 3rd grade class at Jones Paideia Elementary School roughly every other week on Tuesday afternoons. This class was identified as one needing attention after having met with the school principal, Dr. Smith. In addition to some challenges with behavioral issues, some potential at-risk youth are in the class. Lt Sears assists as needed whether it is reading to the students, helping them with their math work, or providing general mentoring. This past week he delivered Christie Cookies and MNPD badge stickers to the class. The goal is to provide additional police presence and security to the precinct's elementary schools while also providing opportunities for positive interaction with community youth and school staff. Some students have expressed their desire to become a police officer since these visits began. The familiarity with the students and staff also provided opportunity to identify some families in need for the Christmas Basket Program. V

The first time I met with students I was provided a tour of the school and said hi to a couple of classes before stopping in the music class and answering questions from the kids. I did not have badge stickers at the time so I passed out my business cards (which they were surprisingly excited about) and told the kids I would bring them some the next time I came to the school.
