# Move It Or Lose It

It takes 30 Seconds for a thief to steal equipment from your yard or open garage.

It takes 30 seconds to secure your equipment

**It is a friendly reminder from your police department of ways you and your valuables can stay safe.**

1. Make sure your garage door is completely down. Thieves can use even a small gap to pry open the door.
2. Always lock your garage door.
3. Always lock your shed and outbuildings using a good quality cut-resistant outdoor lock.
4. Write down the serial numbers of all equipment, along with the brand name and model. Maintain this information in a secure location.
5. Write or carve your own identifying number into any item that does not have a serial number.
6. Report any suspicious activity in your neighborhood to the police immediately

By keeping these tips in mind...  
you & your equipment will have a  
great Nashville Day!!
