

Hello, and thank you for your interest in our department. Members of our community may ask questions about the Metropolitan Nashville Police Department (MNPd) and what we do to train officers, gain community trust and to engage our community. Here are a few pieces of information that we believe are worthy of consideration when informing or educating members of our community about this department.

If you believe this information better educates and informs community members or addresses questions or concerns the community may have, please feel free to share the information.

1. The MNPd is nationally accredited by the Commission on Accreditation for Law Enforcement (CALEA) at the Gold Standard. (The highest standard)
2. The MNPd Training Academy is also separately accredited by CALEA at the Gold Standard. (The highest standard)
3. The MNPd is separately accredited by the Tennessee Association of Chiefs of Police.
4. The MNPd Training Academy requires ALL MNPd employees to have **twice the hours** of training required for POST certification or that is provided by the state to most Tennessee Law Enforcement Officers.
5. The MNPd EI Protector Program has been recognized as one of the best in the United States for outreach to Hispanic communities by the Vera Institute of Justice.
6. The Department of Justice (DOJ) has identified the MNPd Behavioral Health Services and Victim Intervention program as a National Model.
7. The MNPd Crime Lab is accredited through ANSI-ASQ National Accreditation Board; it is the largest multi-disciplinary accreditation body in North America.
8. The MNPd is an organization driven by transparency and accountability. Click on the MNPd web page and you can instantly communicate directly with any leader in the MNPd and the Office of Professional Accountability. (Try doing that in other government or private agencies.)
9. The MNPd Compstat process is open to the public every Friday to openly discuss crime victims and prevention strategies. Each meeting is started with a story of how one of our officers made a positive impact on the victim of a crime or performed an act of community service. Weekly Compstat Reports are available online for the public to view.
10. The MNPd utilizes MOU's with local and other state universities to further advance law enforcement efforts.

11. The MNPD has supported almost 700 community or neighborhood groups and attended or participated in over 2,200 meetings annually in our communities, discussing community issues.
12. The MNPD has full time staff (Community Coordinator Sergeants) assigned to each Precinct to specifically address issues, engage, and interact with the communities.
13. The MNPD makes it easy for residents to determine in which precinct they live simply by entering their address.
14. The MNPD is currently working with the US Department of Justice on pilot project (Public Safety Partnership) implementing teams of Community Engagement Officers.
15. The MNPD is working with local and surrounding county universities to create a pipeline from college to career with MNPD.
16. MNPD Behavioral Health Services and Victim Intervention Program have been designated by the IACP as model victim assistance programs.
17. Vanderbilt conducted a city wide survey of government institutions and the MNPD had a 84% approval rating.
