Sourced from MNPD ARMS on 8/28/2017 4:13:17 PM. Incident and victim counts sourced from incident reports using UCR definitions and reporting guidelines, based on report date. CFS report only includes calls with ten codes 10 through 90, 93, 96 and all thousand codes. This report is intended to be a management and planning tool and does not reflect official counts for the department. Council District boundaries do not overlay precisely with the geographic reporting areas designed by the MNPD. Preliminary offense classifications are based upon initial information provided to the MNPD by the reporting parties, complainants, and witnesses. However based on the nature of policing, preliminary offense classifications may change at a later date based upon further investigation.
