

Metro Transportation Licensing Commission
Low Speed Vehicle Company Application
For a
Certificate of Public Convenience and Necessity

The making of any false statement in this application may subject the offender to the penalty prescribed by the law. Detection of such false statements may result in the denial of certificate or, if previously granted, in revocation of the certificate.

The applicant must properly and legibly complete the following application and all questions must be answered and attested to by the applicant.

Low speed vehicle means any four-wheeled electric or gas powered vehicle, excluding golf carts, whose top speed is greater than twenty miles per hours (20 mph) but not greater than 25 miles per hour (25 mph), including neighborhood vehicles. Low speed vehicles must comply with the standards of 49 CFR 571.500. Vehicles meeting the definition of "golf carts" as defined in Tenn. Code Ann. 55-1-123 shall not be included in the definition of LSVs.

I (we) hereby make application for a Certificate of Public Convenience and Necessity to conduct and operate a low speed Vehicle business in Metropolitan Nashville-Davidson County.

1. Name of Proposed Company _____
2. Address _____
(Mailing address, if different) _____
3. Telephone _____ Fax _____
