**2. Storage:** The maximum fee for storage of any vehicle removed from private property is **\$40** per day. No storage fee may be charged for vehicles stored two hours or less.

### **III. OTHER RATES**

**Drop Fee:** All licensees who engage in the business of towing vehicles from public or private property shall post a notice on each vehicle, in letters not less than two (2) inches high and appearing in a legible manner on the boom or rear of the wrecker as follows:

**“FEE TO DROP VEHICLE BEFORE DEPARTING: \$75.00”**

If the owner or operator of the vehicle is present and removes the vehicle to be towed from the premises before it is connected to the towing vehicle, the owner or operator shall not be charged any fee.

**Vehicles over 7,000 pounds: C-Class Drop Fee: \$175**

If the owner or operator is present after the towing vehicle has been connected to the vehicle to be towed, then the vehicle shall not be towed: but the owner or operator shall be liable for the drop fee, in lieu of towing, provided that the owner or operator forthwith removes the vehicle from the premises. A vehicle shall be deemed connected if every procedure required to secure the vehicle to the wrecker or wrecker equipment so that the vehicle may be safely towed has been completed at the time the owner or operator arrives, including the attachment of any safety chains.

**Lienholder Processing Fee** In addition to the rates authorized above, wrecker companies are authorized to charge a onetime administrative processing fee of \$35 for any car remaining in storage on the company lot for twenty four hours, to offset direct costs for notification of the owner or lienholder as required by state law, and an additional \$25 administration processing fee for each additional notification sent to the owner or lienholder as required by law.

In the event the interior of a salvageable vehicle will be exposed to the elements, wrecker companies are authorized to charge a one-time fee of \$40 for materials and labor associated with wrapping a vehicle to protect the interior.
