

Metro Nashville Public Works

Improving the Quality of Life for Nashvillians and our Visitors

The Department of Public Works delivers a wide range of services that help define the quality of life for residents and visitors of Nashville/Davidson County. Over 400 dedicated Public Works employees work day and night to help ensure a safe, clean and convenient transportation network of public streets and alleys, and to provide an efficient system for managing trash and other waste in Davidson County. These "unsung heroes" repair potholes and public sidewalks; mow grass and trim tree limbs near Metro roadways; change traffic signal bulbs; create and put up street signs; clean up roadside dumping and litter; and manage over 100 million dollars in capital projects.

Among the assets managed each day by our employees are: 5,700+ travel lane miles of public roadways and rights-of-way; 800+ signalized intersections; 6,000+ named public streets; 350+ bridges; 800+ linear miles of sidewalk; 100+ miles of bike lanes and shared routes; 2,035 parking meters and approximately 18,000 parking spaces in Metro-owned garages; 12 community recycle drop-off sites and four recycle convenience centers for waste disposal; and collection of an average of over 130,000 tons of refuse annually from more than 132,000 homes.
