2. Permits will expire on December 31st and must be renewed by permit holder annually by January 10th. Renewal fee is \$25.00 payable to Metropolitan Department of Public Works.
3. Permits are valid from the hours of 6pm to 9am Monday through Friday and all day on Saturday at parking meters.
4. Permits are valid for legally permissible parking spaces including those which have parking meters without being subject to payment of the required parking meter charges.
5. Permits do NOT exempt the holder from the observance of any traffic regulations other than the parking meter payment or time limits.
6. Permits are not transferable and are valid only in the area specified and only for the vehicle described on the permit.
7. A permit holder will have 10 days to apply for a new permit when changing vehicles. During this time, the holder shall attach to the permit a note explaining that they are obtaining a new vehicle. After 10 days, if a new permit has not been obtained, the new vehicle will be subject to a citation (\$10.00) and risk being towed to the Metropolitan Tow-in lot.
8. The permit must be displayed in the extreme left-hand corner of the dashboard (driver's side) and be clearly visible and readable through the windshield. A vehicle bearing a permit that cannot be read by enforcement personnel will be subject to a parking citation (\$11.00).
