EXECUTIVE DIRECTOR REPORT as provided by Dr. Cynthia Croom, Executive Director

Dr. Croom thanked former board member, Councilman Russ Pulley, for his advocacy on behalf of the agency during this tenure as a member of the Board of Commissioners. Mr. Pulley stated that he appreciated the opportunity to be a part of the “MAC family” and to be a part of this great organization. Mr. Pulley further stated that during his tenure, he learned a lot and will always be available to assist the agency in its work.

Dr. Croom stated that while she was honored to be an invited panelist at the National Community Action Partnership 2020 Management and Leadership Training Conference being held in Puerto Rico, January 10-13, 2020, once two powerful earthquakes shook the island the day before and then just hours before her departure, she cancelled her trip without incurred costs. The conference was held, but unfortunately, with diminished attendance.

On behalf of the Tennessee Association of Community Action (TACA), Dr. Croom, who is TACA’s representative to the Tennessee Department of Human Services (DHS) and TACA president met with the commissioner of DHS to discuss excess TANF and Community Services Block Grant (CSBG) funds. TACA has requested a follow-up meeting to further discuss CSBG funding and the federally prescribed administration of those funds. Additionally, TACA will submit a proposal to DHS to address spending of CSBG dollars in accordance with federal regulations.

Notification was received from the Office of Head Start that our re-funding grant application was received and that we would not receive any additional communication until such time that award notifications are made, which will be sometime this summer prior to July 1.

Dr. Croom and board members paid homage to Karen Crook, Director of Administrative Services and Operations, in response to her upcoming February 10, 2020, retirement after 21 years of dedicated service to the agency.

The offer made to an applicant for the Transformation & Innovation Director was declined. The position has been re-posted.

**Made by:** Zulfat Suara  **Second:** Kathy Floyd-Buggs  **Motion Passed.**

**Grants, Contracts, Memoranda of Understanding (MOU)**

Head Start / Early Head Start received Amendment #1 that provided an additional $531,946.00 to pay for playgrounds already installed. These funds are actually carry-over from FY19 for playground purchase and installation. As installation did not occur until after fiscal year end, the funds were re-appropriated to the agency. As this award is an increase in Head Start funding, the in-kind requirement will also increase proportionately.

**Motion:** Approve the Head Start/Early Head Start Amendment #1.  
**Made by:** Benita Davis  **Second:** Flo Kidd  **Motion Passed.**

**Job Descriptions**

Previously, in response to the national shortage of CDL-drivers as required to drive Head Start buses, the agency purchased five 14-passenger shuttle buses, which do not require a CDL license, but rather can be driven by persons with an “F” endorsed license. A part-time shuttle bus driver job description was created in order to run the morning and afternoon Head Start routes. However, the agency is finding it equally difficult to hire part-time shuttle bus drivers. Therefore, submitted for board approval is a Shuttle Bus Driver – full time job description for board approval.

**Motion:** Approve Shuttle Bus Driver job description  
**Made by:** Kathy Buggs  **Second:** Berthena Nabaa-McKinney  **Motion Passed.**
