Nashville, Tennessee 37219-6300

**MEMO**

**TO:** Planning Commission Members

**FROM:** Planning Staff

**DATE:** December 21, 2020

**RE:** Appointment to the Hillsboro Village Urban Design Overlay Advisory Committee

---

Recognizing that interpretation of the intent of design guidelines of various Urban Design Overlay districts (UDO) from time to time requires the exercise of judgment in the approval of final construction plans and recognizing that feedback from affected community representatives may provide valuable insight in the exercise of that judgment, the Planning Commission established an advisory committee for the Hillsboro Village Urban Design Overlay district. Members are recommended by the District Councilmember and approved by resolution of the Planning Commission.

The Hillsboro Village Advisory Committee is comprised of 9 members representing business, institutional, and various neighborhood interests. District Councilmember Tom Cash has recommended Christopher Serkin, the Associate Dean for Academic Affairs of Vanderbilt Law School as the Vanderbilt University Representative.
