**Key Performance Indicators (KPI) - Ms. Terri Troup**

Ms. Troup presented the Board with the KPI for FY19 4th quarter. Activity continues to increase, there is a significant increase from the last 4th quarter. Decrease in MWBE response is due to type of bids – sole provider. It was asked if it lines up with forecasting. Ms. Troup stated all departments did not submit that information. Ms. Lane stated it is now in the code. Ms. Lomax-O’dneal stated that would help MWBE’s prepare. Ms. Lane stated it would also help Purchasing prepare. Mr. Hardin asked of the opportunities with no response, is it marketed to MWBE’s? Ms. Watson replied there is outreach and it is shared with partners. Ms. Troup stated there is an increase in RFPs, ITBs and amendments when compared to FY18. Ms. Lane stated departments are using Purchasing more than in the past. There will be a new report used next quarter. Ms. Raybon asked if comparison from last year should be there. Ms. Troup said it could be added. Ms. Lomax-O’dneal stated it was important to have comparative information.

**EBO Update – Christopher Wood**

Mr. Wood stated it will probably be the second quarter before EBO numbers show on the report. The EBO and small business reserve should increase numbers. BAO staff will have a more in depth training September. Mr. Wood introduced the new BAO staff: Evans Cline, Cierra Rowe, Amber Gardner and Rebecca Moore.
