ABOUT THE COMMISSION

The Metropolitan Historic Zoning Commission (MHZC) is an architectural review board which reviews applications for work on properties that are within a Historic Overlay and makes recommendations to Metro Council on designation of Historic Overlays. Its nine volunteer members, appointed by the mayor and confirmed by Metro Council, include representatives from zoning districts, the Metropolitan Planning Commission, the Metropolitan Historical Commission; architect(s), and other citizens of Davidson County.

Agendas and Staff Reports can be viewed online at http://www.nashville.gov/Historical-Commission/About/Historic-Zoning-Commission/Meeting-Information the Friday before the meeting.

Meetings may be viewed live on Channel 3 or at an alternative time on Metro’s YouTube channel.

COMMUNICATING WITH THE COMMISSION

Because the MHZC is a quasi-judicial body members are not permitted to discuss specific cases outside of a public hearing. For more information about a case or to submit comments to the commission before the meeting, please send to MHZC staff at least one day prior to the meeting. Comments received the day of the meeting may not be received in time to be shared with the Commission. Only materials that further explain the project will be accepted at the meeting, please provide 11 copies. New or alternate designs will not be accepted at the meeting.

All meetings are open to the public and the public is invited to give testimony at the meetings. For advice on addressing the Commission, please see “How the Meeting Works” at the end of this agenda.

AFTER THE MEETING

Decisions: The Commission generally meets the third Wednesday of each month. The decision on all cases before the Commission and minutes from the prior month, if ratified by the Commission, will be posted online the Friday after the meeting. All permits for work authorized by the MHZC must be obtained within 2 years of the date of the board’s approval.

Appeal: Pursuant to the provisions of § 2.68.030 of the Metropolitan Code of Laws, the MHZC’s decisions may be appealed to the Chancery Court of Davidson County or the Circuit Court of Davidson County via a statutory writ of certiorari. If you choose to appeal, you are advised to seek your own independent legal counsel to ensure that your appeal is filed in a timely manner and that all procedural requirements are met. You should also seek independent legal advice regarding the applicability of the writ of certiorari to the specific decision of the Historic Zoning Commission.

o. COMMISSION TRAINING
HOW DOES THE MEETING WORK?

The Metropolitan Historic Zoning Commission meeting is open to the public. Please turn off all cell-phones. Each case follows this format:

a. Staff will make a presentation about each project up for consideration and provide an analysis on how it does or does not meet the design guidelines.
b. The applicant will have the opportunity to present (up to ten minutes) and answer questions of the Commission. The applicant may reserve two minutes of the ten to rebut public comment.
c. The public will have two minutes each to comment on the application. Someone representing an organization may have five minutes if written notice is received no later than the day prior to the meeting day. Please state your name and address for the record before making your comments. Please be sure to direct all comments to the microphone so that they are a part of the official record.
d. The applicant has the option of responding to public comments, once all have been made, and if the full ten minutes was not used.
e. After all public comments, the Chair will close the “public hearing” which means there is no more opportunity for public or applicant comments, unless the Commission invites either back.
f. The Commission will make a decision which could be to approve, disapprove, or approve with conditions. The applicant may also request that a decision be postponed.
g. Appeals to decisions of the MHZC may be taken to a court of competent jurisdiction as provided for by law.
h. If the project is approved or approved with conditions, the applicant will receive a permit. If the project is disapproved, the applicant will receive a notice of decision. Any project may be revised and resubmitted for a new review. The exact same project disapproved may not be resubmitted for review.
i. A building permit may be necessary for the proposed project. Preservation Permits are not a substitute to a building permit. Contact Metro Department of Codes Administration, Howard School Building, 800 2nd Avenue South. (615) 862-6500 (615) 862-6514 fax.
