FOR AND IN CONSIDERATION of the sum of TEN AND NO/100 (\$10.00) DOLLARS cash in hand paid and other good and valuable consideration, the receipt of which is hereby acknowledged, FRIENDS OF THE WARNER PARKS, INC., a Tennessee not-for-profit corporation (“Grantor”), hereby quitclaims and conveys to METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY (“Grantee”), its successors and assigns, all of Grantor's right, title and interest in and to certain real property in Davidson County, Tennessee, more particularly described on Exhibit A attached hereto (collectively, the “Property”).

This is partially improved property located on Highway 100, Nashville, Davidson County, Tennessee.

The Property herein conveyed shall become an addition to, and part of, Edwin Warner Park; and Grantee covenants that Grantor and its successors and assigns (collectively, “FOWP”) shall have the right from time to time to determine the name, designation, or other identification ascribed to the Property and each portion and feature thereof (collectively, the “Reserved Naming Rights”). Without limiting the generality of the foregoing, it is the intent of the parties that “The Burch Reserve of Edwin Warner Park” shall be the primary name ascribed to the Property.

From time to time in the course of preparing any master plan or other plan or design for the use of the Property or any portion thereof, or planning any improvements thereto, Grantee shall, from the inception of such planning or design process, consult with, and seek the advice of, FOWP.

Grantor and Grantee hereby acknowledge and agree that the Property has been transferred and conveyed to Grantee with the intent that it be preserved in its natural, scenic, forested and open space condition, unless FOWP consents otherwise in writing. Grantee hereby acknowledges and agrees that it has accepted this conveyance to honor such intentions, and Grantee hereby acknowledges and agrees that the Property shall at all times be used and

maintained solely for public park purposes consistent with its existing natural, scenic, forested and open space condition (collectively, the "Park Uses"), and, unless FOWP otherwise consents in writing, shall not be improved except as directly related to the Park Uses. Improvements directly related to Park Uses shall include, by way of example and not limitation, riding, hiking and biking trails, playgrounds, wildlife or nature center buildings, and related access roads and parking facilities.

Grantor and Grantee expressly acknowledge and agree that, except for improvements or uses consistent with Park Uses, the Property shall not be improved or used in a manner inconsistent with the parties' intent that the Property be preserved in its natural, scenic, forested and open space condition (the "Use Restrictions"). The Use Restrictions shall preclude, without limitation, (a) improvement of the Property with school buildings or other improvements related to schools, library buildings, tennis courts, golf courses, swimming pools, improved athletic fields, firehalls, police stations or other public safety or service buildings, and public office buildings, (b) any use of the Property that is inconsistent with the protection of any state designated natural area now or hereafter located on all or any portion of the Property or on property adjacent thereto, and (c) any use of the Property for industrial or commercial purposes; provided, however, notwithstanding anything to the contrary foregoing, commercial uses that are purely ancillary and incidental to, and consistent with, the Park Uses, such as limited food service, permits for limited use of park property, and the sale of gift items, shall be permitted.

Upon any violation of the Use Restrictions, FOWP shall have the right to issue a notice of deficiency to Grantee which shall identify specifically the deficiency contended (a "Notice of Deficiency" or "Notice"). Any such Notice of Deficiency shall be deemed sufficiently given (a) one (1) day after depositing such Notice with any express mail or other overnight courier service, or (b) three (3) days after depositing such Notice in the United States mail with the proper postage affixed thereto, certified, return receipt requested, if, regardless of whether delivery method (a) or (b) above is utilized, the Notice is addressed to both (x) the person or entity then listed as the owner of the Property (or the portion of the Property affected by such deficiency) in the records of the Office of the Trustee for the Metropolitan Government of Nashville and Davidson County, Tennessee, at the address for such person or entity listed in the Trustee's records, and (y) the Director of Law for the Metropolitan Government of Nashville and Davidson County, Tennessee. Grantee shall have six (6) months after receiving a Notice of Deficiency to cure and correct the deficiency. In the event a Notice of Deficiency has not been withdrawn by FOWP in writing, and Grantee fails to correct the deficiency within six (6) months after delivery of the Notice of Deficiency, ownership of the Property in fee shall automatically and without further action, revert to FOWP, and Grantee shall execute such documents, instruments and/or deeds as may be reasonably necessary to further evidence the reversion of the Property to FOWP, at no cost to FOWP (the "Right of Reverter"). At any time within six (6) months after receiving a Notice of Deficiency, Grantee shall have the right to file an action seeking a declaratory judgment from a court of competent jurisdiction as to the existence of a deficiency under this paragraph. The time for Grantee to correct a deficiency shall be tolled during the pendency of such an action, including appeals. FOWP shall have the right to issue a Notice of Deficiency at any time following the violation of the Use Restrictions through the date that is one (1) year following the date that Grantee notifies FOWP in writing of such violation (a "Grantee Notice"), and receives confirmation of FOWP's receipt of such Grantee Notice, it being acknowledged that Grantee may, but is not required to issue any Grantee Notice. In the

event that Grantee fails to issue a Grantee Notice with respect to any violation, FOWP's rights hereunder shall continue indefinitely with respect to such violation.

The Reserved Naming Rights, the Park Uses, the Use Restrictions, the Right of Reverter and other covenants and agreements set forth herein shall be appurtenant to, and shall perpetually run with and bind title to the Property and benefit FOWP and be binding upon Grantee and all owners of all or any portion of the Property, and their respective heirs, executors, legal representatives, successors and assigns, and all other parties hereafter having an interest in any portion of the Property and all parties claiming by, through or under them. Without limiting the generality of the foregoing, at such time as any person or entity other than the Grantee named herein becomes the owner of the Property, or any portion thereof, such person or entity shall thereafter be subject to the provisions of this instrument to the same extent as though originally named as the Grantee herein.

Wherever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

IN WITNESS WHEREOF, Grantor has executed this instrument on this 15 day of July, 2009.
