

**Proposal:** 2011M-011EN-001: To encroach on the public right of way starting at the intersection of Brick Church Pike and Trinity Lane and runs east along Trinity Lane until its intersection with Pittway Drive for an aerial encroachment.

**South Route:** Beginning at a KDL slack loop on the northwest corner of Trinity Lane and Brick Church Pike. Begin new aerial construction on NES power poles east along Trinity Lane (Hwy 431) approximately eight thousand twenty six feet (8,026') to a KDL slack loop on the northeast corner of Trinity Lane and Pittway Drive.
