

**BILL NO. BL2018-1055** (GLOVER, GILMORE, & OTHERS) – This ordinance would add a new section 2.164.020 to the Metropolitan Code of Laws regarding agreements between the Metropolitan Government and the Metropolitan Hospital Authority.

This ordinance would require that, until June 30, 2019, any agreement between Metro and the Metro Hospital Authority regarding the operations of Metropolitan Nashville General Hospital or any successor hospital must include provisions requiring the hospital to offer in-patient services.

In addition, this ordinance would require that, until June 30, 2019, the mayor may not terminate any agreement between Metro and the Metro Hospital Authority without prior approval of the Metro Council by resolution.
