

BILL NO. BL2018-1060 (BEDNE & ELROD) – This ordinance would adopt the Geographic Information Systems Street and Alley Centerline Layer with the recordation of renaming, additions, and deletions of acceptances and abandonments as reflected on the Centerline Layer to date, as the official Street and Alley Acceptance and Maintenance Record for Metro. This map was last amended by Ordinance No. BL2017-572 on February 21, 2017. The ordinance now under consideration would update the map to include all changes made by the Council since that time.

An amendment was added at the February 6, 2018 Council meeting which corrected the reference to a resolution in the second recital.

This has been approved by the Planning Commission.
