

BILL NO. BL2017-1029 (GLOVER) – This ordinance would amend Section 17.20.120 of the Metropolitan Code of Laws regarding contributions paid in lieu of the construction of sidewalks.

Section 17.20.120 currently allows for building permit applicants, under certain conditions, to pay a contribution to the fund for sidewalks in lieu of building a sidewalk otherwise required under this section. Under the current Code, these contributions are required to stay within the pedestrian benefit zone where the project is located. There are currently 16 pedestrian benefit zones.

This ordinance would amend the Code to require contributions made to the fund for sidewalks to stay within the Council district in which the project is located. All references to “pedestrian benefit zones” would be removed.
