

BILL NO. BL2018-1144 (VERCHER, BEDNE, & ELROD) – This ordinance would grant temporary and permanent easements to the Tennessee Department of Transportation (TDOT) on certain properties along Clarksville Highway owned by the Metropolitan Government. The easements are necessary for the successful completion of a widening project along Clarksville Highway. The easement locations and compensation to be paid by TDOT are attached to the Ordinance as exhibits and are as follows:

- Exhibit A — slope easement — \$45,000
 - 3500 John Mallette Drive
- Exhibit B — slope easement — \$1,600
 - 3851 Clarksville Pike
- Exhibit C — slope easements, temporary construction easements, permanent drainage easements — \$160,300
 - 3603 W. Hamilton Road
- Exhibit D — slope easement, temporary construction easement, permanent drainage easements — \$34,300
 - 4000 Clarksville Pike
- Exhibit E — slope easements, temporary construction easements — \$27,300
 - 3701 W. Hamilton Road
 - 3615 W. Hamilton Road
 - 3611 W. Hamilton Road
 - 3607 W. Hamilton Road

Fiscal Note: The total amount that would be paid by TDOT for these easements is \$268,500.
