

RESOLUTION NO. RS2018-1173 (ROBERTS, VERCHER, & OTHERS) – This resolution would authorize the Metropolitan Department of Water and Sewerage Services (MWS) to enter into a facility encroachment agreement with CSX Transportation, Inc. (CSX) to construct, use, and maintain a 10-inch water pipeline crossing located at or near Nashville Terminal Subdivision, Milepost 0NW-5.36.

Ordinance No. O98-1393 authorized Metro to enter agreements such as this with CSX for water and sewer line construction by resolution.

Fiscal Note: MWS would make a nominal payment to CSX of one dollar (\$1.00) upon execution of this contract.
