- C.11. Non-allowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment that are determined by the State, on the basis of

- D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. A termination for convenience shall not be a breach of this Grant Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the State is liable shall be determined by the State. Notwithstanding the exercise of the State's right to terminate this Grant Contract for cause, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.
- D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written

approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Grant Contract pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall remain responsible for all work performed.

- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.
- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:
- a.  - b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
 - c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352.

In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by the State.  - c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.

- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee in relation to this Grant Contract shall include the statement, "This project is funded under a grant contract with the State of Tennessee." All notices by the Grantee in relation to this Grant Contract shall be approved by the State.
- D.14. Licensure. The Grantee, its employees, and any approved subcontractor shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained in accordance with applicable Tennessee law. In no case shall the records be maintained for a period of less than five (5) full years from the date of the final payment. The Grantee's records shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Governmental Accounting Standards Board (GASB) Accounting Standards or the Financial Accounting Standards Board (FASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

- D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency and the Department of Finance and Administration ("F&A"). Send electronic copies of annual and final reports to F&A at fa.audit@tn.gov. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.
- D.19. Audit Report. The Grantee shall be audited in accordance with applicable Tennessee law. If the Grantee is subject to an audit under this provision, then the Grantee shall complete Attachment C.

- A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.
- D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, motor vehicles, or contracted services, procurements by the Grantee shall be competitive where practicable. For any procurement for which reimbursement is paid under this Grant Contract, the Grantee shall document the competitive procurement method. In each instance where it is determined that use of a competitive procurement method is not practicable, supporting documentation shall include a written justification for the decision and for the use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.318—200.326 when procuring property and services under a federal award.
- The Grantee shall obtain prior approval from the State before purchasing any equipment or motor vehicles under this Grant Contract.
- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual

services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

- D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.
- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaroud plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.
- D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.
- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- D.27. State Interest in Equipment or Motor Vehicles. The Grantee shall take legal title to all equipment or motor vehicles purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. The term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five hundred dollars (\$500.00). The term "motor vehicle" shall include any article of tangible personal property that is required to be registered under the "Tennessee Motor Vehicle Title and Registration Law", Tenn. Code Ann. Title 55, Chapters 1-6.

As authorized by the Tennessee Uniform Commercial Code, Tenn. Code Ann. Title 47, Chapter 9

and the "Tennessee Motor Vehicle Title and Registration Law," Tenn. Code Ann. Title 55, Chapters 1-6, the parties intend this Grant Contract to create a security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant Contract. A further intent of this Grant Contract is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grant Contracts between the State and the Grantee.

The Grantee grants the State a security interest in all equipment or motor vehicles acquired in whole or in part by the Grantee under this Grant Contract. This Grant Contract is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment or motor vehicles herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment or motor vehicles. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment or motor vehicles. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment or motor vehicles, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment or motor vehicles purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment or motor vehicles;
- b. Manufacturer's serial number or other identification number, when applicable;
- c. Consecutive inventory equipment or motor vehicles tag identification;
- d. Acquisition date, cost, and check number;
- e. Fund source, State grant number, or other applicable fund source identification;
- f. Percentage of state funds applied to the purchase;
- g. Location within the Grantee's operations where the equipment or motor vehicles is used;
- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment or motor vehicles with an identification number which is cross referenced to the equipment or motor vehicle item on the inventory control report. The Grantee shall inventory equipment or motor vehicles annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment or motor vehicles purchased with funding through this Grant Contract within thirty (30) days of its end date and in form and

substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment or motor vehicle loss describing reasons for the loss. Should the equipment or motor vehicles be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment or motor vehicles purchased with Grant funds. All equipment or motor vehicles shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. - D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-407.
- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.

- E.3. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

The Grantee shall make any such report within twenty-four (24) hours after the instance has come to the Grantee's attention. The Grantee, at the sole discretion of the State, shall provide no cost credit monitoring services for individuals that are deemed to be part of a potential disclosure. The Grantee shall bear the cost of notification to individuals having personally identifiable information involved in a potential disclosure event, including individual letters or public notice. The remedies set forth in this Section are not exclusive and are in addition to any claims or remedies available to the State under this Grant Contract or otherwise available at law.

- E.5. Federal Funding Accountability and Transparency Act (FFATA).

This Grant Contract requires the Grantee to provide supplies or services that are funded in whole or in part by federal funds that are subject to FFATA. PROBLEM / NEED STATEMENT (25 points)

PROBLEM: Domestic violence is a large problem, accounting for just under 50% of all crimes against a person in Davidson county and approximately 20% of offenders in General Sessions Court

Domestic violence is a serious public safety problem in Nashville-Davidson County, accounting for just under 50% of all crimes against persons in the county and approximately 20% of offenders in General Sessions Court. Per year, the Metro Nashville Police Department (MNPD) takes on average 26,000 domestic violence incident reports (Source: MNPD Domestic Violence Division).

This significant number of domestic violence calls and reports generates a large burden on the criminal justice system. In 2017, General Sessions Court had 5,374 defendants with domestic violence charges filed in General Sessions Court. In 2017 there were 5,560 Orders of Protection filed in Circuit and General Sessions Court Civil Division. Of those filed Orders of Protection, 1,492 were granted and 4,127 were dismissed (source: Metro Criminal Justice Planning)

Nashville's court based Family Justice Center, the Jean Crowe Advocacy Center (JCAC), continues to provide safety planning, danger assessment, resource connection, Order of protection assistance, and court accompaniment, In 2017, the JCAC received 5,635 visits by domestic violence victims (3,122 were unique victim visits), 537 children, 627 witnesses, and 1345 supportive family and friends. The 2017 Gender breakdown was 25% male, 75% female. The 2017 ethnicity breakdown of victims was 41% white, 45% black, 10% Hispanic, 1% Asian/Pacific Islander; and 3% Multi-Racial or other. The 2017 age breakdown of victims was 2% 0-17 years old, 13% 18-24 years old, 49% 25-49 years old, 10% 50-59 years old, 6% 60+ years old, 20% unspecified.

In 2017, the JCAC's staff, partners, and interns conducted 1,413 needs assessments and assisted with 4,489 petitions for orders of protection. JCAC advocates conducted 1,323 danger assessments and escorted 1,820 victims and witnesses to court. Advocates provided personalized safety planning to over 3,412 victims and conducted 697 follow-up calls. This is in addition to 1,287 court preparation calls. JCAC advocates conducted court advocacy with 1,040 victims, and assisted 107 victims with victim compensation claims. Lastly, JCAC advocates made 9,302 referrals and resource connections and 2,279 on-site partner connections. These numbers include services to non-unique victims (Source: Metro Office of Family Safety).

The JCAC's exit survey measures the reduction in trauma symptoms experienced by victims before and after receiving services at JCAC. The following summarizes 2017 survey results: 49% increase in feelings of being supported, 46% increase in feeling knowledgeable, 56% decrease in feeling nervous, 28% decrease in feeling afraid. (Source: Metro Office of Family Safety)

Nashville-Davidson County is a diverse community, with many marginalized/underserved populations: Black/African American (28.1 %), Hispanic/Latino (10.1%), persons 65 and older (11.5%), and limited English proficiency individuals. 120 different languages are spoken in Metro schools, with the most common being Spanish (16,896), Arabic (3,435), and Kurdish (1,181). (U.S. Census, V2016)

Of the 36 intimate partner homicides in Nashville from 2010-2017, only two had contact with Nashville's primary shelter provider. From 2014-2016, 56% of domestic violence homicides involved victims who had no contact with police or courts. Metro OFS's Court-based Family Justice Center (JCAC) primarily serves victims engaged in the criminal justice system. Because victims who connect with services have a lower likelihood of being murdered, the new FJC plans to provide robust outreach and education, particularly to marginalized/underserved populations who are less likely to engage services.

"Underserved and marginalized" will include those at increased risk due to decreased access and/or utilization of services as a result of race, ethnicity, geographic isolation, language barriers, cultural intolerance, disability, and/or lack of social support.

In order to effectively reach marginalized and underserved populations it is critical that FJC and related community leaders receive training in diversity, equity, and inclusion. In addition to receiving this training, participants will learn how to be trainers in order to create an ongoing FJC community environment that is inclusive and bias aware.

Need / Service Gap #1: Navigator position is needed to prepare for Metro's new community based Family Justice Center.

Scheduled to open at the end of 2018, Nashville's community based Family Justice Center (FJC) will need the skills of a Navigator. Unlike the Jean Crowe Advocacy Center (JCAC), the majority of clients at the new FJC will be walk-ins. These walk-in clients will need to be "triaged" to determine what assistance they need and connecting clients to those needed resources. The VOCA funded Navigator will not only be able to assist with assessing client need and connecting clients to resources, the Navigator will be able to provide safety planning, danger assessment, and Order of Protection assistance.

Need / Service Gap #2: Current staff is unable to skillfully and consistently collect and evaluate JCAC and partner data and/or data systems due to current workload restraints:

With the opening of the new FJC, there will be additional service provision data that will need to be collected, evaluated, and shared each month. This service data would include all direct client services provided at the FJC by OFS advocates, and building partners such as Metro Police Department Counselors and Caseworkers, Detectives, District Attorney's Office, and nonprofit partners.

Need / Service Gap #3: There is little to no Family Justice Center community outreach to potential victims, especially for marginalized/underserved populations. As a result, many victims do not know about the JCAC and upcoming FJC.

With the opening of the new FJC, the CCR coordinator will provide effective outreach and domestic violence, sexual assault, trafficking and Family Justice Center education to the community with emphasis on marginalized/underserved populations.

Need / Service Gap 4: Nashville's Family Justice Center(s) and its partners are not yet community leaders in reaching, serving and connecting to marginalized and underserved populations.

In order to effectively reach, serve, and connect with marginalized and underserved populations, FJC leaders need to learn how to identify bias in themselves and others. The CCR Coordinator will organize a train the trainer program with the National Coalition Building Institute (NCBI). In this program NCBI will hold a 3 day workshop for 30-40 Nashville Family Justice Center leaders. Day one is a "welcoming diversity workshop" and day two and three are the "train-the-trainer seminar and controversial issue process learning. Participants will learn the NCBI methodology to training others on 1) celebrating their similarities and differences; 2) recognizing the misinformation they have learned about various groups; 3) identifying and healing from internalized oppression; 4) claiming pride in group identity; 5) understanding the personal impact of discrimination through the telling of stories; and 6) learning hands-on tools for dialing effectively with bigoted comments and behavior. <http://ncbi.org/colleges-university-welcoming-diversity-programs/>. The Family Justice Standing Committee (consists of leadership from each primary co-located

partner/agency) will select the team that will be trained. As a result, there will be two NCBI (Nashville led) trainings per year.

NCBI has received the following honors and distinctions: 1) The Nelson Mandela Award for outstanding international work of fighting racism, 2) The United States Department of Education cited NCBI's work on college campuses as a national "best practice" awarding it the rating of "excellent" regarding educational significance, quality, usefulness, and replicability, and 3) Citing the success of NCBI training program and its offices in Wilmington, Delaware, DuPont Corporation designated NCBI's work as a "Corporate Best Practice."

DATA COLLECTION PROCEDURE (15 Points)

Before opening the JCAC, Metro IT developed an Access database for the JCAC. This database contains fields to document basic information on demographics, needs assessments, danger assessments, ex parte order of protection assistance, and any referral and resource connection. Currently, Metro IT/JIS will work to create a new Access database to better suit new Family Justice Center partnership needs. The new database will also include appropriate fields to easily report on the following types of State and Federal grants: JAG, STOP, ICJR, and VOCA.

Currently, all JCAC client names and zip codes are placed on a sign-in sheet maintained in a confidential manner by the JCAC front desk worker. The following data fields (per client) are also maintained and managed on this sign-in sheet by the front desk worker: 1) Type of client (e.g. victim, witness, support, child), gender of victim, zip code for victim, and presence of observable injuries. When any of the following advocacy services are provided, receipt of those services is also logged onto the sign-in sheet: Demographic information, needs assessment, danger assessment, safety planning, court escort, order of protection assistance, meeting with district attorney's office, meeting with a Legal Aid Society volunteer attorney, and meeting with a police detective. In addition, individual advocates maintain records on the number of safety plans and court advocacy provided to clients as well as the number of follow-up and court preparation phone calls made/attempted. All ex parte orders of protections are maintained on the Circuit Court database and on a JCAC shared drive.

Services provided by partner agencies are collected as follows: The YWCA reports on the number of JCAC roll-over calls its hotline and the number of victims that attended the JCAC YWCA support group on a monthly basis. The JCAC front desk worker totals all exit survey responses, and the JCAC Director collects the number of ex parte order of protections

completed/assisted by Morningstar Sanctuary and all advocacy services provided by Martha O'Bryan Center.

The VOCA funded Navigator, with the assistance of Office of Family Safety leadership will be responsible for all quarterly reporting on the federal PMT system.

VOCA funded Navigator and CCR Coordinator will collect client and training surveys

Describe how your agency will/does use the output data to continuously evaluate your project.

As we prepare to open the new FJC, Advocate statistical data will help inform leadership on how to best deploy advocate time between the two Family Justice Centers. The Office of Family Safety Advisory Committee (consisting of the Chief of Police, District Attorney General, Sheriff, Finance Director, Metro Legal Director, and domestic violence judges) reviews service provision statistics once every two months, discussing both positive and negative trends. Client and training surveys will inform performance measurements.

Metro Nashville Government

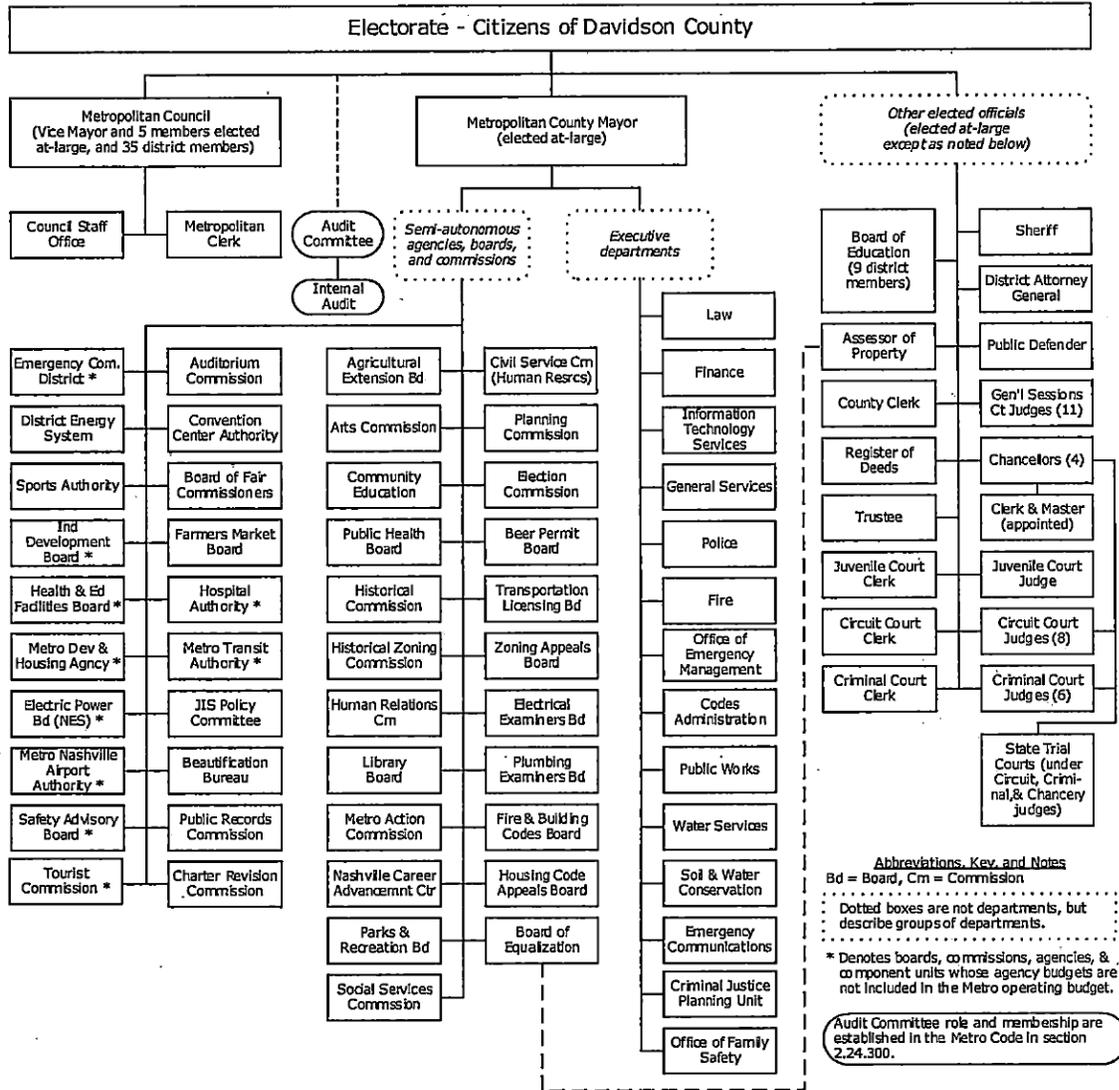

Organizational Structure

The following organization chart presents a high-level view of Metro's structure.

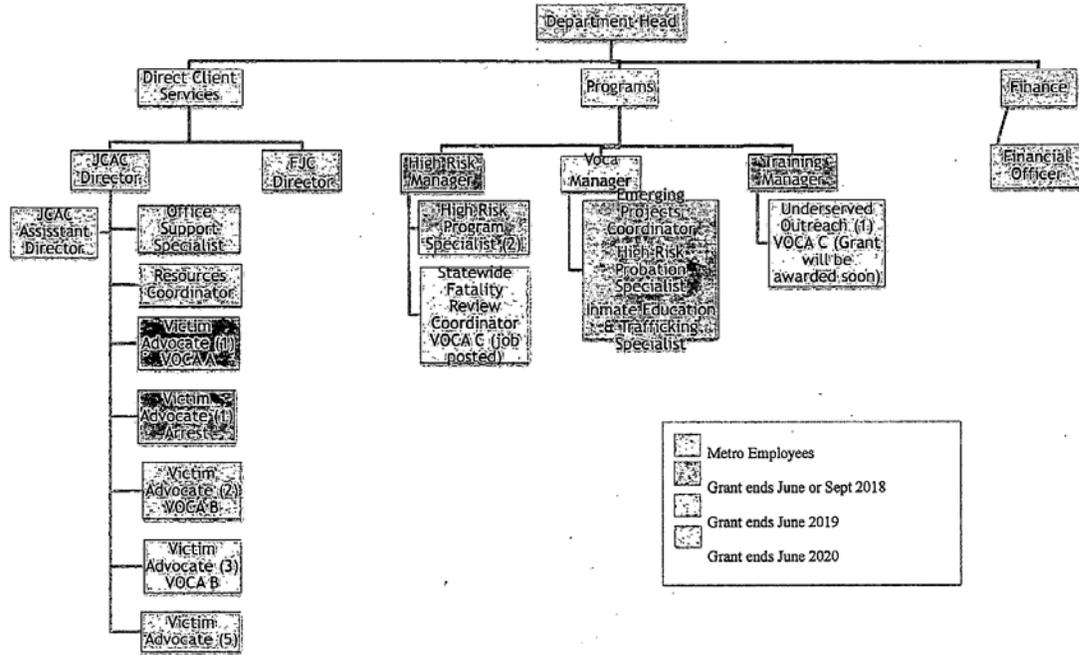

Metro has a "strong-mayor" form of government, in which the popularly-elected mayor is the city's chief executive and is independent of the Council.

Both the Mayor and Council are elected on a nonpartisan basis.

Within this framework, operations are conducted by executive departments (reporting to the Mayor), independent elected officials (including the elected Board of Education), and appointed boards, commissions, and agencies. The variety of elected officials, boards, and commissions facilitate citizen involvement in the government's operations.

CERTIFICATION REGARDING LOBBYING

(PAGE 1 OF 1)

CERTIFICATION REGARDING LOBBYING

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OCJP for guidance, and may not proceed without the express prior written approval of OCJP.

Each person shall file the most current edition of this certification and disclosure form, if applicable, with each submission that initiates agency consideration of such person for an award of a Federal grant, or cooperative agreement over \$100,000 as defined at CFR Part 69.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Instructions for Completing the Special Conditions Pages 2015 VOCA (2015-VA-GX-0018)

Each federal grant award received by the Office of Criminal Justice Programs (OCJP) contains a list of special conditions which must be adhered to by both the OCJP and their subrecipients. These special conditions are addressed within the OCJP Grants Manual and more formally listed on the next several pages. Those that apply to the OCJP subrecipient are highlighted for clarity. Please note: Special Conditions requiring notification are indicated with an asterisk. Subrecipients must notify OCJP rather than the federal agency. As an agency receiving federal dollars from OCJP, you are required to acknowledge and comply with these special conditions.

- Read the Special Conditions thoroughly prior to completing the Special Conditions documents.
- Identify who will complete the Special Conditions documents, the Authorized Official or their Designee:
 - **NOTE: A Designee is defined as a person who has been designated by the authorized official as responsible for completing the Special Conditions and has been granted permission by the Authorized Official to sign the documents with the Authorized Official's signature.**
 - When the Designee is completing the Special Conditions, the section of the Special Conditions collecting the Designee's personal information must be completed in full for the Designee.
- On the last page of the document, the Special Conditions requires the Authorized Official or their designee to check the box indicating they have read the Special Conditions and are fully cognizant of their duties and responsibilities, and then sign and date the last page. Make sure there is a signature and date on the final page and the certification box is checked.
- Agencies should review the Special Conditions to ensure they are completed in full and a signature and date is present on the last page.
- Agencies should make a copy of the completed Special Conditions and keep them in their Agency Grant file.

High-Risk Designation Certification

The Office of Criminal Justice Programs (OCJP) subrecipients of Department of Justice (DOJ) funds are required to disclose whether the subrecipient is designated "high risk" by a federal grant-making agency. If the subrecipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, **the subrecipient must disclose that fact and certain related information to Office of Criminal Justice Programs (OCJP) by emailing the Program Manager.**

For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following:

1. The federal awarding agency that currently designates the recipient high risk,
2. The date the recipient was designated high risk,
3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and
4. The reasons for the high-risk status, as set out by the federal awarding agency.

The recipient agrees to comply with any additional requirements that may be imposed by the OCJP during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

SPECIAL CONDITIONS

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (the "Part 200 Uniform Requirements") apply to this 2015 award from the Office of Justice Programs (OJP). For this 2015 award, the Part 200 Uniform Requirements, which were first adopted by DOJ on December 26, 2014, supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

If this 2015 award supplements funds previously awarded by OJP under the same award number, the Part 200 Uniform Requirements apply with respect to all award funds (whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2015 award.

Potential availability of grace period for procurement standards: Under the Part 200 Uniform Requirements, a time-limited grace period may be available under certain circumstances to allow for transition from policies and procedures that complied with previous standards for procurements under federal awards to policies and procedures that comply with the new standards (that is, to those at 2 C.F.R. 200.317 through 200.326).

For more information on the Part 200 Uniform Requirements, including information regarding the potentially available grace period described above, see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

- * In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.
- 2. The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide").
- 3. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 C.F.R. Section 42.302) that is approved by the Office for Civil Rights is a violation of the Standard Assurances executed by the recipient, and may result in suspension of funding until such time as the recipient is in compliance, or termination of the award.
- 4. The recipient understands and agrees that OJP may withhold award funds, or may impose other related requirements, if (the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements, (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards)
- 5. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of OJP.
- 6. The recipient and any subrecipients must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by: mail: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W., Room 4706, Washington, DC 20530; e-mail: oig.hotline@usdoj.gov; hotline: (contact information in English and Spanish): (800) 869-4499 or hotline fax: (202) 616-9881. (See 28 C.F.R. Part 61, App. D.) The recipient also agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.

AWARD DATE 08/25/2015

SPECIAL CONDITIONS

26. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
27. The recipient understands and agrees that it has a responsibility to monitor its subrecipients' compliance with applicable federal civil rights laws. The recipient agrees to submit written Methods of Administration (MOA) for ensuring subrecipients' compliance to the OJP's Office for Civil Rights at CivilRightsMOA@usdoj.gov within 90 days of receiving the grant award, and to make supporting documentation available for review upon request by OJP or any other authorized persons. The required elements of the MOA are set forth at http://www.ojp.usdoj.gov/funding/other_requirements.htm, under the heading, "Civil Rights Compliance-Specific to State Administering Agencies."
28. The recipient agrees to submit (and, as necessary, require sub-recipients to submit) performance reports on the performance metrics identified by OVC, and in the time and manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction. Beginning October 1, 2015, the recipient agrees to submit (and, as necessary, require sub-recipients to submit) such information quarterly.
29. The recipient must require all non-profit sub-recipients of VOCA Assistance funding under this award to make their financial statements available online (either on the recipient's, the sub-recipient's, or another publicly available website). OVC will consider sub-recipient organizations that have Federal 501(c)(3) tax status as in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
30. The recipient must require all non-profit sub-recipients of VOCA Assistance funding under this award to certify their non-profit status. Sub-recipients may certify their non-profit status by submitting a statement to the recipient (to be placed in the grant file) affirmatively asserting that the sub-recipient is a non-profit organization, and indicating that it has on file, and available upon audit, either (1) a copy of the recipient's 501(c)(3) designation letter; (2) a letter from the recipient's state/territory taxing body or state/territory attorney general stating that the recipient is a non-profit organization operating within the state/territory; or (3) a copy of the recipient's state/territory certificate of incorporation that substantiates its non-profit status. Sub-recipients that are local non-profit affiliates of state/territory or national non-profits should have available proof of (1), (2), or (3), and a statement by the state/territory or national parent organization that the recipient is a local non-profit affiliate.

**Instructions for Certification Regarding Debarment, Suspension,
Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions (Sub-
recipients)**

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certificate, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participation agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause title "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING LOBBYING

(PAGE 1 of 1)

CERTIFICATION REGARDING LOBBYING

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OCJP for guidance, and may not proceed without the express prior written approval of OCJP.

Each person shall file the most current edition of this certification and disclosure form, if applicable, with each submission that initiates agency consideration of such person for an award of a Federal grant, or cooperative agreement over \$100,000 as defined at CFR Part 69.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Instructions for Completing the Special Conditions Pages 2015 VOCA (2015-VA-GX-0018)

Each federal grant award received by the Office of Criminal Justice Programs (OCJP) contains a list of special conditions which must be adhered to by both the OCJP and their subrecipients. These special conditions are addressed within the OCJP Grants Manual and more formally listed on the next several pages. Those that apply to the OCJP subrecipient are highlighted for clarity. Please note: Special Conditions requiring notification are indicated with an asterisk. Subrecipients must notify OCJP rather than the federal agency. As an agency receiving federal dollars from OCJP, you are required to acknowledge and comply with these special conditions.

- Read the Special Conditions thoroughly prior to completing the Special Conditions documents.
- Identify who will complete the Special Conditions documents, the Authorized Official or their Designee:
 - **NOTE: A Designee is defined as a person who has been designated by the authorized official as responsible for completing the Special Conditions and has been granted permission by the Authorized Official to sign the documents with the Authorized Official's signature.**
 - When the Designee is completing the Special Conditions, the section of the Special Conditions collecting the Designee's personal information must be completed in full for the Designee.
- On the last page of the document, the Special Conditions requires the Authorized Official or their designee to check the box indicating they have read the Special Conditions and are fully cognizant of their duties and responsibilities, and then sign and date the last page. Make sure there is a signature and date on the final page and the certification box is checked.
- Agencies should review the Special Conditions to ensure they are completed in full and a signature and date is present on the last page.
- Agencies should make a copy of the completed Special Conditions and keep them in their Agency Grant file.

High-Risk Designation Certification

The Office of Criminal Justice Programs (OCJP) subrecipients of Department of Justice (DOJ) funds are required to disclose whether the subrecipient is designated "high risk" by a federal grant-making agency. If the subrecipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, **the subrecipient must disclose that fact and certain related information to Office of Criminal Justice Programs (OCJP) by emailing the Program Manager.**

For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following:

1. The federal awarding agency that currently designates the recipient high risk,
2. The date the recipient was designated high risk,
3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and
4. The reasons for the high-risk status, as set out by the federal awarding agency.

The recipient agrees to comply with any additional requirements that may be imposed by the OCJP during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

PROJECT NUMBER 2015-VA-GX-0018

AWARD DATE 08/25/2015

SPECIAL CONDITIONS

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (the "Part 200 Uniform Requirements") apply to this 2015 award from the Office of Justice Programs (OJP). For this 2015 award, the Part 200 Uniform Requirements, which were first adopted by DOJ on December 26, 2014, supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

If this 2015 award supplements funds previously awarded by OJP under the same award number, the Part 200 Uniform Requirements apply with respect to all award funds (whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2015 award.

Potential availability of grace period for procurement standards: Under the Part 200 Uniform Requirements, a time-limited grace period may be available under certain circumstances to allow for transition from policies and procedures that complied with previous standards for procurements under federal awards to policies and procedures that comply with the new standards (that is, to those at 2 C.F.R. 200.317 through 200.326).

For more information on the Part 200 Uniform Requirements, including information regarding the potentially-available grace period described above, see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

- * In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide").

3. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 C.F.R. Section 42.302) that is approved by the Office for Civil Rights is a violation of the Standard Assurances executed by the recipient, and may result in suspension of funding until such time as the recipient is in compliance, or termination of the award.

4. The recipient understands and agrees that OJP may withhold award funds, or may impose other related requirements, if the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

5. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of OJP.

6. The recipient and any subrecipients must promptly refer to the DOJ OIG any credible evidence that a principal,
* employee, agent, subrecipient, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by - mail: Office of the Inspector General U.S. Department of Justice Investigations Division 950 Pennsylvania Avenue, N.W. The State will further ensure that all VOCA subgrantees will authorize representatives of OVC and OCFO access to and the right to examine all records, books, paper or documents related to the VOCA grant.
20. The Grantee agrees to submit a Subgrant Award Report (SAR) to OVC for each subgrantee of the VOCA victim assistance funds, within ninety (90) days of awarding funds to subgrantees. States and territories are required to submit this information through the automated system.

The recipient assures that the State and its subrecipients will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 42 U.S.C. 10603(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required. Specifically, the State certifies that funds under this award will:
 - a) be awarded only to eligible victim assistance organizations, 42 U.S.C. 10603(a)(2);

SPECIAL CONDITIONS

26. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
27. The recipient understands and agrees that it has a responsibility to monitor its subrecipients' compliance with applicable federal civil rights laws. The recipient agrees to submit written Methods of Administration (MOA) for ensuring subrecipients' compliance to the OJP's Office for Civil Rights at CivilRightsMOA@usdoj.gov within 90 days of receiving the grant award, and to make supporting documentation available for review upon request by OJP or any other authorized persons. The required elements of the MOA are set forth at http://www.ojp.usdoj.gov/funding/other_requirements.htm, under the heading, "Civil Rights Compliance Specific to State Administering Agencies."
28. The recipient agrees to submit (and, as necessary, require sub-recipients to submit) performance reports on the performance metrics identified by OVC, and in the time and manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction. Beginning October 1, 2015, the recipient agrees to submit (and, as necessary, require sub-recipients to submit) such information quarterly)
29. The recipient must require all non-profit sub-recipients of VOCA Assistance funding under this award to make their financial statements available online (either on the recipient's, the sub-recipient's, or another publicly available website). OVC will consider sub-recipient organizations that have Federal 501(c)(3) tax status as in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
30. The recipient must require all non-profit sub-recipients of VOCA Assistance funding under this award to certify their non-profit status. Sub-recipients may certify their non-profit status by submitting a statement to the recipient (to be placed in the grant file) affirmatively asserting that the sub-recipient is a non-profit organization, and indicating that it has on file, and available upon audit, either: 1) a copy of the recipient's 501(c)(3) designation letter; 2) a letter from the recipient's state/territory taxing body or state/territory attorney general stating that the recipient is a non-profit organization operating within the state/territory; or 3) a copy of the recipient's state/territory certificate of incorporation that substantiates its non-profit status. Sub-recipients that are local non-profit affiliates of state/territory or national non-profits should have available proof of (1), (2) or (3), and a statement by the state/territory or national parent organization that the recipient is a local non-profit affiliate.
