

BILL NO. BL2018-1171 (GLOVER, MENDES, & SWOPE) – This ordinance would amend Sec. 5.04.065 of the Metropolitan Code of Laws, recently created by Ordinance No. BL2018-1123. BL2018-1123 required memorialization and approval of internal agreements between departments, boards, commissions or agencies of the Metropolitan Government valued in excess of \$500,000.

The ordinance currently under consideration would clarify that multiple allocations of funds for a single project that have a cumulative value of \$500,000 would also require memorialization and approval by Council. This requirement would not apply if separate allocations for a single project are made more than twenty-four (24) months apart. The term “project” would be construed broadly to include all projects and parts of projects that are reasonably related.
