

BILL NO. BL2018-1209 (VERCHER & RHOTEN) – This ordinance would grant the Purchasing Agent the authority to extend the term of the Metropolitan Government’s contract with Nelson Byrd Woltz, LLC for the Centennial Park Master Plan Design and Engineering Services.

This contract was the result of competitive procurement and was awarded in 2013 for a term of sixty (60) months. The current contract was set to expire in May 2018. This ordinance would authorize the Purchasing Agent to extend the contract for an additional sixty (60) months if the Purchasing Agent determines such extension is in the best interests of Metro.

This ordinance also provides that any amendment to the contract could be approved by resolution of Council receiving at least twenty-one (21) affirmative votes.

Fiscal Note: Section 3.2.1 of the initial five-year contract estimated the value to be \$4 million. The summary from the Purchasing Agent states the value of the proposed five-year extension would be \$6 million, for a total of \$10 million.
