

BILL NO. BL2018-1218 (SLEDGE, BEDNE, & ELROD) – This ordinance would authorize Citiview I, LLC to install, construct, and maintain underground and structural encroachments in the right-of-way located at 2305 Kline Avenue. These would consist of a concrete retaining wall, with a maximum height of 42 inches, encroaching the right-of-way.

Citiview I, LLC has agreed to indemnify and hold the Metropolitan Government harmless from any and all claims in connection with the installation and maintenance of the encroachments, and would be required to provide a \$2 million certificate of public liability insurance with the Metropolitan Clerk naming the Metropolitan Government as an insured party.

This proposal has been approved by the Planning Commission.
