

RESOLUTION NO. RS2018-1319 (KINDALL & VERCHER) – This resolution would appropriate Community Development Block Grant (CDBG) funds for sidewalk improvements in North Nashville. CDBG funds are designated by federal law to be used for affordable housing activities and for neighborhood community improvement projects.

A total of \$551,051.45 in CDBG funding was previously allocated in the 2016-2017 and 2017-2018 Annual Updates to the Consolidated Action Plan for infrastructure improvements in Tier II Priority Areas. North Nashville was designated as a Tier II Priority Area. The Metropolitan Development and Housing Agency (MDHA), in collaboration with Metro Public Works, has identified residential areas in North Nashville – located on the north side of Formosa Street between 21st and 23rd Avenue North – in need of sidewalks. The project would include new stormwater infrastructure and sidewalks.

Plans for these improvements are available for review at the offices of MDHA.

Fiscal Note: The resolution would authorize the appropriation of up to \$255,000 of the 2016 CDBG funds and up to \$296,051.45 of the 2017 CDBG funds, for a total of \$551,051.45.
