- C.10. Payment of Invoice. A payment by the GNRC shall not prejudice the GNRC's right to object to or question any reimbursement, invoice, or related matter. A payment by the GNRC shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.
- C.11. Non-allowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment that are determined by the GNRC, on the basis of audits or monitoring conducted in accordance with the terms of this Contract, to constitute unallowable costs.
- C.12. GNRC's Right to Set Off. - D.3. Termination for Convenience. The GNRC may terminate this Contract without cause for any reason. A termination for convenience shall not be a breach of this Contract by the GNRC. The GNRC shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the GNRC be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the GNRC is liable shall be determined by the GNRC.  - b. The Grantee warrants that it will cooperate with the GNRC, including cooperation and coordination with GNRC privacy officials and other compliance officers required by the Privacy Rules, in the course of performance of this Contract so that both parties will be in compliance with the Privacy Rules.
 - c. The GNRC and the Grantee will sign documents as required by the Privacy Rules and that are reasonably necessary to keep the GNRC and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received by the GNRC under this Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the GNRC to receive such information without entering into a

business associate agreement or signing another document. The Business Associate Agreement between the parties to this Contract attached to this Contract as Attachment 3 is deemed a part of this Contract and is incorporated therein, and upon the parties signing this Contract, the parties shall also be bound by the attached Business Associate Agreement as fully as if signed as a separate document.

- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Contract involves the provision of services to citizens by the Grantee on behalf of the Tennessee Commission on Aging and Disability, or GNRC, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee in relation to this Contract shall include the Statement, "This project is funded under a Contract with the State of Tennessee and/or the GNRC." All notices by the Grantee in relation to this Contract shall be approved by the GNRC.

- D.14. Licensure. The Grantee, its employees, and any approved subcontractor shall be licensed pursuant to all applicable federal, GNRC, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.

- D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Contract, shall be maintained in accordance with applicable Tennessee law. Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Tennessee Commission on Aging and Disability, the GNRC, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

- D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the GNRC, the Tennessee Commission on Aging and Disability, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.
- D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the GNRC as requested.
- D.18. Procurement. If other terms of this Contract allow reimbursement for the cost of goods, materials, supplies, equipment, motor vehicles, or contracted services, procurements by the Grantee shall be competitive where practicable. For any procurement for which reimbursement is paid under this Contract, the Grantee shall document the competitive procurement method. In each instance where it is determined that use of a competitive procurement method is not practicable, supporting documentation shall include a written justification for the decision and for the use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.318—200.326 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the GNRC before purchasing any equipment or motor vehicles under this Contract.

- D.19. Strict Performance. Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.20. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a Tennessee governmental entity, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the GNRC beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.21. Limitation of GNRC's Liability. The GNRC shall have no liability except as specifically provided in this Contract. In no event will the GNRC be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may

- arise under this Contract or otherwise. The GNRC's total liability under this Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Contract. This limitation of liability is cumulative and not per incident.
- D.22. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Contract arising from a Force Majeure Event is not a default under this Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Contract is not a Force Majeure Event under this Contract. Grantee will promptly notify the GNRC of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the GNRC within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the GNRC may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Contract or charge the GNRC any fees other than those provided for in this Contract as the result of a Force Majeure Event.
- D.23. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Contract.

- D.25. State and Federal Compliance. The Grantee shall comply with all applicable GNRC and federal laws and regulations in the performance of this Contract. The U.S. Office of Management and Budget's Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is available here: http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl
- D.26. Governing Law. This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract. The Grantee acknowledges and agrees that any rights or claims against the GNRC, the State of Tennessee or their employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-407.
- D.27. Completeness. This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.

- D.28. Severability. If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.
- D.29. Headings. Section headings are for reference purposes only and shall not be construed as part of this Contract.
- D.30. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101 et.seq., addressing contracting with persons as defined at T.C.A. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Contract. The Grantee certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. § 12-12-106.
- D.31. Prevailing Wage Rates. All contracts for highway construction projects that are for the purpose of building, rebuilding, locating, relocating or repairing any streets, highways or bridges require compliance with the prevailing wage laws provided in Tenn. Code Ann. §§ 12-4-401-415.
- D.32. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

The Grantee shall provide immediate written notice to the GNRC if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.33. Incorporation of Additional Documents. Each of the following documents is included as a part of this Contract by reference. In the event of a discrepancy or ambiguity regarding the Grantee's duties, responsibilities, and performance under this Contract, these items shall govern in order of precedence below:
- a. any amendment to this Contract, with the latter in time controlling over any earlier amendments;
 - b. this Contract with attachments.

E. SPECIAL TERMS AND CONDITIONS:

The obligations set forth in this Section shall survive the termination of this Contract.

E.3. Federal Funding Accountability and Transparency Act (FFATA).

This Contract requires the Grantee to provide supplies or services that are funded in whole or in part by federal funds that are subject to FFATA. The Grantee is responsible for ensuring that all applicable FFATA requirements, including but not limited to those below, are met and that the Grantee provides information to the GNRC as required.

The Grantee shall comply with the following:

a. Reporting of Total Compensation of the Grantee's Executives.

(1) The Grantee shall report the names and total compensation of each of its five most highly compensated executives for the Grantee's preceding completed fiscal year, if in the Grantee's preceding fiscal year it received:

- i. 80 percent or more of the Grantee's annual gross revenues from Federal procurement contracts and federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and sub awards); and
- ii. \$25,000,000 or more in annual gross revenues from federal procurement contracts (and subcontracts), and federal financial assistance subject to the Transparency Act (and sub awards); and
- iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. § 78m(a), 78o(d)) or § 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).

As defined in 2 C.F.R. § 170.315, "Executive" means officers, managing partners, or any other employees in management positions.

(2) Total compensation means the cash and noncash dollar value earned by the executive during the Grantee's preceding fiscal year and includes the following (for more information see 17 CFR § 229.402(c)(2)):

- i. Salary and bonus.

- ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.
 - iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.
 - vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- b. The Grantee must report executive total compensation described above to the GNRC by the end of the month during which this Contract is established.
 - c. If this Contract is amended to extend its term, the Grantee must submit an executive total compensation report to the GNRC by the end of the month in which the amendment to this Contract becomes effective.
 - d. The Grantee will obtain a Data Universal Numbering System (DUNS) number and maintain its DUNS number for the term of this Contract. More information about obtaining a DUNS Number can be found at: <http://fedgov.dnb.com/webform/>.

The Grantee's failure to comply with the above requirements is a material breach of this Contract for which the GNRC may terminate this Contract for cause. The GNRC will not be obligated to pay any outstanding invoice received from the Grantee unless and until the Grantee is in full compliance with the above requirements.

- E.4. Work Papers Subject to Review. The Grantee shall make all audit, accounting, or financial analysis work papers, notes, and other documents available for review by the Comptroller of the Treasury or his representatives, upon request, during normal working hours either while the analysis is in progress or subsequent to the completion of this Contract.

The obligations set forth in this Section shall survive the termination of this Contract.

- E.5. Disclosure of Personally Identifiable Information. The Grantee shall report to the GNRC any instances of unauthorized disclosure of personally identifiable information that come to the attention of the Grantee. Any such report shall be made by the Grantee within twenty-four (24) hours after the instance has come to the attention of the Grantee. The Grantee, at the sole discretion of the GNRC, shall provide no cost credit monitoring services for individuals that are deemed to be part of a potential disclosure. The Grantee shall bear the cost of notification to individuals having personally identifiable information involved in a potential disclosure event, including individual letters or public notice. The remedies set forth in this section are not exclusive and are in addition to any claims or remedies available to the GNRC under this Contract or otherwise available at law.

In addition to the other requirements provided in this Contract, the Contractor shall not sell or disclose information obtained from persons served under this Contract, including but not limited to names, addresses, social security numbers and other personally identifiable information, to third parties without the express written consent of the GNRC. Additionally, the Contractor shall not

obtain the social security numbers of persons served under this Contract. If the Contractor violates this section, the violation will constitute a Breach Condition, and the GNRC shall have the right to immediately terminate the Contract and withhold payments in excess of compensation for completed services.

E.5. Transfer of Grantee's Obligations.

The Grantee shall not transfer or restructure its operations related to this Contract without the prior written approval of the GNRC. The Grantee shall immediately notify the GNRC in writing of a proposed transfer or restructuring of its operations related to this Contract. Therefore the Parties to the Contract and this Agreement, GNRC and Business Associate, agree as follows:

- (d) Covered Entity. "Covered Entity" shall generally have the same meaning as the term "covered entity" at 45 CFR 160.13, and in reference to the party to this Agreement, shall mean GNRC, whose principal address is 220 Athens Way Suite 200, Nashville, TN 37228.
- (e) HIPAA Rules. "HIPAA Rules" shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 CFR Part 160 and Part 164 in effect and as amended. The "HIPAA Privacy Rule" is at 45 CFR, part 160 and part 164, subparts A and E. The "HIPAA Security Rule" is at 45 CFR Parts 160 and 164. The "HIPAA Breach Notification Rule" is at 45 CFR Part 164, Subpart D.
- (f) Parties. "Parties" shall mean the parties to the Contract and Agreement, both Business Associate and Covered Entity. "Party" shall mean one of the two Parties.

2. Obligations of Business Associate

Business Associate Agrees to:

- (a) Not use or disclose protected health information other than as permitted or required by this Agreement or as required by law, and to fully comply with all the applicable provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the HIPAA Rules.
- (b) Use appropriate safeguards, and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information, to prevent use or disclosure of protected health information other than as provided for by this Agreement, and to use appropriate procedural, physical, and electronic safeguards to prevent use or disclosure of protected health information other than as provided for by this Agreement. Said safeguards shall include, but are not limited to, requiring employees to agree to use or disclose protected health information only as permitted or required by this Agreement and taking related disciplinary actions for inappropriate use or disclosure as necessary.

Additionally, business associate shall notify GNRC in the same manner of any suspected or potential breach of its obligation to not disclose protected health information in violation of this Agreement and the HIPAA Rules. Any notification under this subsection shall include, to the extent possible, the identification of each individual whose protected health information has been or is reasonably believed by the business associate to have been accessed, acquired, used, or disclosed during the breach and shall include all available information that is required to be in the notification to the individual under 45 CFR 164.404(c).
- (d) In accordance with 45 CFR 164.502(e)(1)(ii) and 164.308(b)(2), if applicable, ensure that any subcontractors that create, receive, maintain, or transmit protected health information on behalf of the business associate agree by written contract to the same restrictions, conditions, and requirements that apply to the business associate with respect to such information;
- (e) Require its employees, agents, and sub-contractors to immediately report, to the business associate, any use or disclosure of protected health information in violation of this Agreement and to report to GNRC any use or disclosure of the protected health information not provided for by this Agreement.
- (f) If business associate receives protected health information from GNRC in a designated record set, then business associate agrees to provide access, at the request of GNRC, to protected health information in a designated record set, to GNRC or, as directed by GNRC, to an individual in order to meet the requirements under 45 CFR 164.524, provided that business associate shall have at least thirty (30) days from GNRC's notice to provide access to or deliver such information.
- (g) If business associate receives a request from an individual for a copy of the individual's protected health information, and the protected health information is in the sole possession of the business associate, business associate will provide the requested copies to the individual and notify GNRC of such action. If business associate receives a request for protected health information in the possession of GNRC, or receives a request to exercise other individual rights as set forth in the privacy rule, business associate shall notify GNRC of such request and forward the request to GNRC. Business associate shall then assist GNRC in responding to the request.

- (h) Make any amendment(s) to protected health information in a designated record set as directed or agreed to by GNRC pursuant to 45 CFR 164.526 or take other measures as necessary to satisfy covered entity's obligations under 45 CFR 164.526;
- (i) Provide to GNRC or an individual, in time and manner designated by GNRC, information collected and maintained in accordance with this Contract, to permit GNRC to respond to a request by an individual for an accounting of disclosures of protected health information in accordance with 45 CFR 164.528, provided that business associate shall have at least thirty (30) days from GNRC's notice to provide access to or deliver such information which shall include, at minimum, (a) date of the disclosure; (b) name of the third party to whom the protected health information was disclosed and, if known, the address of the third party; (c) brief description of the disclosed information; and (d) brief explanation of the purpose and basis for such disclosure.
- (j) To the extent the business associate is to carry out one or more of covered entity's obligation(s) under Subpart E of 45 CFR Part 164, comply with the requirements of Subpart E that apply to the covered entity in the performance of such obligation(s); and
- (k) Make its internal practices, books, and records available to GNRC and the Secretary of the U.S. Department of Health and Human Services, or the Secretary's designee, for purposes of determining compliance with the HIPAA Rules.
- (l) Mitigate, to the extent practicable, any harmful effect that is known to the business associate of a use or disclosure of protected health information by the business associate in violation of the requirements of this Agreement.
- (m) Document disclosures of protected health information and information related to such disclosures as would be required for GNRC to respond to a request by an individual for an accounting of disclosure of protected health information in accordance with 45 CFR 164.528.
- (n) Limit any use, disclosure, or request for use or disclosure of protected health information to the minimum amount necessary to accomplish the intended purpose of the use, disclosure, or request in accordance with the requirements of the privacy rule and other HIPAA Rules.

3. Permitted Uses and Disclosures by Business Associate

- (a) Business associate may only use or disclose protected health information as necessary to perform the services set forth in the Contract.
- (b) Business associate may use or disclose protected health information as required by law.
- (c) Except as otherwise limited herein, business associate may use or disclose protected health information to perform functions, activities, or services for or on behalf of GNRC as specified in the Contract, provided that such use or disclosure would not violate the privacy rule or other HIPAA Rules if done by GNRC.
- (d) Business associate agrees to make uses and disclosures and requests for protected health information consistent with covered entity's minimum necessary policies and procedures.
- (e) Except for the specific uses and disclosures set forth herein, business associate may not use or disclose protected health information in a manner that would violate Subpart E of 45 CFR Part 164 if done by covered entity.

- (f) Business associate may disclose protected health information for the proper management and administration of business associate or to carry out the legal responsibilities of the business associate, provided the disclosures are required by law, or business associate obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notifies business associate of any instances of which it is aware in which the confidentiality of the information has been breached.
- (g) Except as otherwise limited herein, business associate may use protected health information to provide Data Aggregation services to GNRC as permitted by 42 CFR 164.504(e)(2)(i)(B).
- (h) Limit any use, disclosure, or request for use or disclosure of protected health information to the minimum amount necessary to accomplish the intended purpose of the use, disclosure, or request in accordance with the requirements of the privacy rule.

4. Term and Termination

- (a) Term. This Agreement shall be effective as of the date on which this Agreement is signed by the last of the two parties to sign the Contract to which this Agreement is attached and made a part of, and shall terminate when all of the protected health information provided by GNRC to business associate or created or received by business associate on behalf of GNRC, is destroyed or returned to GNRC, or, if it is infeasible to return or destroy protected health information, Section 6 herein shall apply.
- (b) Termination for Cause. The Contract authorizes and business associate acknowledges and agrees GNRC shall have the right to immediately terminate the Contract in the event business associate fails to comply with, or violates a material provision of, requirements of the HIPAA Rules or this Agreement. Upon GNRC's knowledge of a material breach by business associate, GNRC shall, whenever practicable, provide a reasonable opportunity for business associate to cure the breach or end the violation. If business associate has breached a material term of this Agreement and cure is not possible or if business associate does not cure a curable breach or end the violation within a reasonable time as specified by, and at the sole discretion of, GNRC, GNRC may immediately terminate the Contract.
- (c) Reporting. If neither cure nor termination is feasible, GNRC shall report the violation to the Secretary of the United States Department of Health and Human Services or the Secretary's designee.

5. Obligations of GNRC.

GNRC Agrees to:

- (a) Provide business associate with the notice of privacy practices that GNRC produces in accordance with 45 CFR 164.520, as well as any changes to such notice.
- (b) Provide business associate with any changes in, or revocation of, permission by an Individual to use or disclose protected health information, if such changes affect business associate's permitted or required uses.
- (c) Notify business associate of any restriction to the use or disclosure of protected health information that GNRC has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect business associate's use of protected health information.

- (d) Not request business associate to use or disclose protected health information in any manner that would not be permissible under the privacy rule if done by GNRC.

6. Obligations of Business Associate Upon Termination.

- (a) Except as provided in subsection (b) below, upon termination of the Contract, for any reason, business associate shall, at direction of the GNRC, return or destroy all protected health information received from GNRC, or created or received by business associate on behalf of GNRC. This provision shall apply to protected health information that is in the possession of sub-contractors or agents of business associate. Business associate shall retain no copies of the protected health information.
- (b) In the event that business associate determines that returning or destroying the protected health information is not feasible, business associate shall provide to GNRC notification of the conditions that make return or destruction unfeasible. Upon mutual agreement of the Parties that return or destruction of protected health information is unfeasible, business associate shall extend the protections of this Agreement to such protected health information and limit further uses and disclosures of such protected health information to those purposes that make the return or destruction unfeasible, for so long as business associate maintains such protected health information.
- (c) In the event that business associate continues to maintain protected health information after termination of this Contract, business associate shall continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information to prevent use or disclosure of the protected health information, other than as provided for in this Agreement, for as long as business associate retains the protected health information;
- (d) The obligations of business associate under this Section shall survive the termination of this Agreement.

7. Miscellaneous

- (a) Regulatory References. A reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended.
- (b) Amendment. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for compliance with the requirements of the HIPAA Rules and any other applicable law. Nevertheless, business associate and GNRC shall comply with any amendment to the Health Insurance Portability and Accountability Act, Public Law 104-191, and amendment to the HIPAA Rules upon the effective date of such amendment, regardless of whether this Agreement has been formally amended.
- (c) Interpretation. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.
- (d) Notices and Communications. All instructions, notices, consents, demands, or other communications required or contemplated by this Agreement shall be in writing and shall be delivered by hand, by facsimile transmission, by overnight courier service, or by first class mail, postage prepaid, addressed to the respective party at the appropriate facsimile number or address as set forth in Section D.8. (Communications and Contacts) of the Contract, or to such other party, facsimile number, or address as may be hereafter specified by written notice.

- (e) Effective Date of Notices. All instructions, notices, consents, demands, or other communications shall be considered effectively given as of the date of hand delivery; as of the date specified for overnight courier service delivery; as of three (3) business days after the date of mailing; or on the day the facsimile transmission is received mechanically by the facsimile machine at the receiving location and receipt is verbally confirmed by the sender.
- (f) Strict Compliance. No failure by any Party to insist upon strict compliance with any term or provision of this Agreement, to exercise any option, to enforce any right, or to seek any remedy upon any default of any other Party shall affect, or constitute a waiver of, any Party's right to insist upon such strict compliance, exercise that option, enforce that right, or seek that remedy with respect to that default or any prior, contemporaneous, or subsequent default. No custom or practice of the Parties at variance with any provision of this Agreement shall affect, or constitute a waiver of, any Party's right to demand strict compliance with all provisions of this Agreement.
- (g) Severability. With respect to any provision of this Agreement finally determined by a court of competent jurisdiction to be unenforceable, such court shall have jurisdiction to reform such provision so that it is enforceable to the maximum extent permitted by applicable law, and the Parties shall abide by such court's determination. In the event that any provision of this Agreement cannot be reformed, such provision shall be deemed to be severed from this Agreement, but every other provision of this Agreement shall remain in full force and effect.
- (h) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee and of the United States of America.
