

BILL NO. BL2018-1191 (O'CONNELL, BEDNE, & ELROD) – This ordinance would authorize Nashville Symphony Association to install, construct, and maintain underground and structural encroachments in the right-of-way located at 1 Symphony Place. These would consist of an entry canopy, below grade electrical vault and a patio dining area encroaching the right-of-way.

Nashville Symphony Association has agreed to indemnify and hold the Metropolitan Government harmless from any and all claims in connection with the installation and maintenance of the encroachments, and would be required to provide a \$2 million certificate of public liability insurance with the Metropolitan Clerk naming the Metropolitan Government as an insured party.

This proposal has been approved by the Planning Commission.
