RE: FY2019 Recycling Rebate Funds

Dear Mayor Briley:

This letter is being sent to acknowledge receipt of your FY 2019 Recycling Rebate Funds Request and Certification. Payment requests for rebate funds may be submitted at any time during the fiscal year.

Counties and municipalities electing to receive the recycling rebate funds must provide at a minimum an annual recycling report via the State's online reporting service (ReTRAC) by completing a recycling report. This document shall be included in the Region's Annual Progress Report.

Please submit all activities in the TDEC Online Grants Management System (GMS). You can locate additional information at the following: <https://www.tn.gov/environment/about-idec/grants/program-areas.html> website.

Eligible expenses are those that are incurred from July 1, 2018 through June 30, 2019. Because a dollar for dollar match is required, we will fund 50% of each invoice submitted up to the total rebate amount.

Funds for Metropolitan Government of Nashville and Davidson County \$121,124.92.

The following municipalities have surrendered their rebate money to Metropolitan Government of Nashville and Davidson County

City of Belle Meade	\$529.69	City of Goodlettsville	\$3,065.98
City of Berry Hill	\$95.61	City of Oak Hill	\$833.80

**Total funds for Metropolitan Government of Nashville and Davidson County \$125,650.00**
