Dear D'Yuanna,

This letter is written approval for a three month no cost extension of your 2018-2019 Tennessee March of Dimes Community Grant which was set to conclude on March 31, 2019. We understand the delays you have experienced and your need for extra time to complete project deliverables.

At this time, you have received two payments for your \$25,000 grant award to utilize as outlined in your budget proposal. There will not be any additional payments to complete the grant deliverables during this extension period. A final report will be due by July 31, 2019 unless otherwise requested.

We appreciate your dedication to this important project and your partnership in reducing and eliminating poor birth outcomes.

Should you have any questions, please feel free to contact me at 615-800-7181 or tcurrin@marchofdimes.org.

Sincerely,

A handwritten signature in cursive script that reads 'Tamara Currin'.
