

**RESOLUTION NO. RS2019-1703** (GILMORE) – This resolution would approve an agreement between the Metro Board of Health and the U.S. Food and Drug Administration for participation in a long term food, feed, and cosmetic information sharing agreement.

Section 10.104(8) of the Metropolitan Charter provides that the Board of Health has the duty to contract for such services as will further the program and policies of the Board, subject to confirmation by resolution of Council.

This confidentiality agreement would facilitate the exchange of non-public food (which includes human and pet food and animal feed) and cosmetic regulatory, public health, and safety information. The term would be five (5) years, ending on June 30, 2024.

A prior five-year agreement was approved through Resolution No. RS2018-1494. The term of that agreement began on July 1, 2014.

*Fiscal Note: There would be no cost to the Board of Health for participating in the proposed agreement.*
