GRANT APPLICATION SUMMARY SHEET

Grant Name:	Bullet Proof Vest 20
Department:	POLICE DEPARTMENT
Grantor:	U.S. DEPARTMENT OF JUSTICE
Pass-Through Grantor (If applicable):	
Total Applied For	$67,681.22
Metro Cash Match:	$67,681.22
Department Contact:	Jim Stephens 880-2850
Status:	CONTINUATION

Program Description:

Funding will be used to purchase a total of ~~750~~ 261 Bullet Proof Vests for Law Enforcement personnel in the MNPD. The MNPD shall be responsible for the matching funds for the vests purchased. *** The funding source for the match will come from fund 10101 and business unit #31201000. This business unit is used for the purchasing of bullet proof vests.

Plan for continuation of services upon grant expiration:

All equipment purchased shall become the property of the agency purchasing the equipment. Any vests purchases made outside of this grant agreement shall be funded by the agencies regular operating budget.

APPROVED AS TO AVAILABILITY OF FUNDS:

Director of Finance **Date** 1C

APPROVED AS TO FORM AND LEGALITY:

Metropolitan Attorney **Date**

APPROVED AS TO RISK AND INSURANCE:

Director of Risk Management Services **Date**

FAQS

Bulletproof Vest Partnership

The Bulletproof Vest Partnership (BVP), created by the Bulletproof Vest Partnership Grant Act of 1998 is a unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement.

ONE MILLION VESTS: Since 1999, the BVP program has awarded more than 13,000 jurisdictions a total of $467 million in federal funds for the purchase of over one million vests (1,349,813) as of January 2019.

NEW: The Bureau of Justice Assistance (BJA) is pleased to announce the Fiscal Year (FY) 2019 BVP application funding period. **Applications for FY 2019 BVP funds will be accepted beginning April 16, 2019. All applications must be submitted online by 6:00 pm (Eastern Time), May 28, 2019.**

NEW: The Fiscal Year 2018 BVP awards have been announced.
See the complete list of FY 2018 BVP awards.

Documentation Requirement: Grantees are required to keep documentation to support the BVP vest application and payment requests for at least a three year period.

Other Federal Funds: Justice Assistance Grant (JAG) funds or other federal funding sources may not be used to pay for that portion of the bullet proof vest (50%) that is not covered by BVP funds. JAG or other federal funds may be used to purchase vests for an agency, but they may not be used as the 50% match for BVP purposes.

Uniquely Fitted Armor Vest Requirement-
Jurisdictions receiving funding for reimbursement of body armor purchases must have in place a uniquely fitted vest requirement when the FY 2019 BVP applications are submitted.

In the BVP Program, "uniquely fitted vests" means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage, through a combination of: 1) correctly-sized panels and carrier, determined through appropriate measurement, and 2) properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features. The requirement that body armor be "uniquely fitted" does not necessarily require body armor that is individually manufactured based on the measurements of an individual wearer. In support of the Office of Justice Programs' efforts to improve officer safety, the American Society for Testing and Materials (ASTM) International has made available the *Standard Practice for Body Armor Wearer Measurement and Fitting of Armor* (Active Standard ASTM E3003) available at no cost. The Personal Armor Fit Assessment checklist, is excerpted from ASTM E3003.

In addition, a certification section has been added to the 2019 application (in the BVP system) stating the jurisdictions and law enforcement agency are aware of and will comply with this requirement.

NEW! UPDATED Mandatory Wear FAQs

Following two years of declining law enforcement officer line-of-duty deaths, the country realized a dramatic 37 percent increase in officer deaths in 2010. Fifty-nine of the 160 officers killed in 2010 were shot during violent encounters; a 20 percent increase over 2009 numbers. The U.S. Department of Justice is committed to improving officer safety and has undertaken research to review and analyze violent encounters and law enforcement officer deaths and injuries. Due to the increase in the number of law enforcement officer deaths, coupled with our renewed efforts to improve officer safety, beginning with FY 2011, in order to receive BVP funds, jurisdictions must certify, during the application process, that all law enforcement agencies benefitting from the BVP Program have a written "mandatory wear" policy in effect. This policy must be in place for at least all uniformed officers before any FY 2011 funding can be used by the agency. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty. BJA strongly encourages agencies to consult the International Association of Chiefs of Police's Model Policy on Body Armor and to strongly consider all recommendations within that policy. This policy change was announced in October 2010 by Attorney General Holder after consulting with and receiving input from the law enforcement community.

The IACP has very generously provided both its Body Armor Model Policy and position paper to the BVP program. In order to obtain a copy of the Model Policy and position paper, jurisdictions must be registered with the BVP program. To obtain a copy of the Model Policy, contact the BVP Customer Support Center at 1-877-758-3787 or email vests@usdoj.gov.

Important: Once you complete and submit this form, your application will be electronically forwarded to your Jurisdiction for review and approval. You will then be able to review your application but not make further modifications. Modifications can only be made by contacting your Jurisdiction and requesting that your application be reopened. Do NOT contact the BVP program to perform this function; only your Jurisdiction has the authority to do this. Please coordinate the need to change your application with the jurisdiction contact person, to

ensure that the jurisdiction's application is not forwarded to the Department of Justice until all modifications have been made.

SUBMIT FOR APPROVAL

serious bodily harm (e.g., civil disturbances, riots, or some other large scale disorder, biological hazards, etc.).

2. An officer assigned a departmental vehicle will secure such equipment in the trunk of their vehicle or other approved manner. If no vehicle is available, it shall be secured at a location approved by the employee's supervisor.

3. All such equipment shall be maintained in a state of readiness and worn in a manner consistent with training or best practices.

I. **Whistle**

1. An employee shall carry and use only the whistle approved to aid in the performance of official duties, particularly when directing traffic or safeguarding an accident scene.

   a. **When stopping traffic**, an employee will extend their arm and an open hand in the direction of the oncoming traffic, and at the same time render **one long blast with the whistle.**

   b. **When starting traffic,** an employee will extend their arm and an open hand in the direction of the stopped traffic and give a clearly visible motion with their arm in the direction they wish the traffic to proceed, and at the same time render **two short blasts with the whistle.**

J. **Body Armor**

It is the policy of this law enforcement agency to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1. The department will:

   a. Provide to all sworn personnel and armed property guards, a Level II or higher body armor for their safety and protection.

   b. Require the use of department issued body armor in field activities and pre-planned situations that may pose a high-risk to sworn personnel.

   c. Field Activities: Duty assignments and/or tasks that place or could reasonably be expected to place officers in situations

where they would be required to act in enforcement rather than administrative or support capacities.

2. Procedures

   a. Employees shall wear only agency-approved body armor.

   b. Use of Body Armor

      (1) When attired in a departmental uniform, on or off-duty, employees are required to wear body armor while engaged in field activities (defined herein), except as follows:

         (a) When an agency-approved physician determines that an employee has a medical condition that would preclude wearing body armor. Such employees may be precluded from certain assignments and details. The written documentation will be maintained in the employee's medical file.

         (b) When the officer is involved in undercover or plain clothes work that his/her supervisor determines could be compromised by wearing body armor;

         (c) When the duty assignment is designated as primarily administrative or support; or

         (d) When the department determines that circumstances make it inappropriate to mandate the wearing of body armor.

         (e) Sworn personnel not wearing body armor will ensure the body armor is kept in close proximity so it may be put on if their assignment or activity changes.

      (2) Body armor shall be worn by recruit officers during both classroom and field training.

   c. Sworn personnel (and armed property guards) will, subject to supervisory observation and periodic documented inspections:

      (1) Ensure that body armor is worn and maintained as required by this policy, or if not assigned to an activity requiring body armor to be worn, have it immediately available in the event

they must be called on for an activity requiring body armor to be worn.

(2) Shall routinely inspect personal body armor for signs of damage and for general cleanliness. As dirt and perspiration may erode ballistic panels, each officer shall be responsible for cleaning personal body armor in accordance with the manufacturer's instructions.

(3) Personnel are responsible for the proper storage, maintenance and care of body armor. Personnel shall, without undue delay, report any damage or excessive wear to the ballistic panels or cover, or issues with fitting to their supervisor. Adjustments or replacements shall be made as soon as reasonably possible.

d. Pre-planned High-risk Police Activities
Sworn personnel shall wear body armor when engaged in pre-planned high-risk police activities, which include all:

(1) Raids;

(2) Pre-planned arrest situations, with or without a warrant, and applicable search warrant executions;

(3) Pre-planned searches for wanted persons;

(4) Hostage/barricaded subject situations;

(5) Crowd control situations;

(6) Dignitary security;

(7) Prison riots; or

(8) Stakeouts or Surveillance dealing with individuals who have a history of violence or the propensity for violence.

e. Replacement of Body Armor

(1) Body armor will be replaced, at a maximum, every seven years.

(2) During required line inspections, supervisors will inspect subordinates' body armor for maintenance, wear and proper fit.

APPLICATION SUBMITTED

Your Application has been forwarded to your Jurisdiction for approval. You may check the status of your Application at any time by clicking the 'Current Status' option in Section 4.1 of your Law Enforcement Agency's Handbook.

A confirmation email has been sent to: james.stephens@nashville.gov. For your reference, the summary data for your Application for Funding is listed below.
