

AMENDMENT NO. 1
TO
ORDINANCE NO. BL2019-1598

Mr. President –

I hereby move to amend Ordinance No. BL2019-1598 as follows:

- I. By amending Section 1 by deleting proposed Section 2.32.065, Subsection A, its entirety and substituting in lieu therefore the following:
 - A. Within 180 days after the enacted date of this section, the metropolitan department of general services shall establish a fleet electrification program (“program”) that shall require that all motor vehicles owned by the metropolitan government be zero-emission vehicles by the year ~~2045~~ 2050.
- II. By amending Section 1 by deleting proposed Section 2.32.065, Subsection C, in its entirety and substituting in lieu thereof the following:
 - C. The Department of General Services shall have the authority to adopt additional rules and regulations consistent with this section. The Department of General Services shall further issue a report to the Metropolitan Council at least annually regarding the emission status of the vehicles in the metropolitan government fleet. This report shall be made available on the Metropolitan Government’s website and the Metro Open Data Portal.
- III. By amending Section 1 by deleting proposed Section 2.53.065, Subsection D, in its entirety and substituting in lieu thereof the following:
 - D. By January 1, 2022, and every two (2) years thereafter, the metropolitan department of general services shall develop a greenhouse gas emissions reduction plan for its fleet. The plan shall include proposals on how to meet the above targets and goals for reducing emissions as well as cost estimates associated with the meeting the above targets and goals. The greenhouse gas emissions reduction plan shall be submitted to the metropolitan council.
- IV. By amending Section 1 by deleting proposed Section 2.53.065, Subsection E, in its entirety and substituting in lieu thereof the following:
 - E. Exemptions. This section shall not apply to any emergency response vehicles, such as ambulances, law enforcement vehicles, or fire trucks. The department of general services shall have the authority to exempt other types of vehicles for which low-or-zero-emission models are not feasible. The department shall reevaluate the feasibility of including emergency response vehicles or otherwise exempted vehicles in this program every five (5) years after adoption of this ordinance and may include any or all previously exempted vehicles in the program.
