A. Standard Terms and Conditions

1. Total Authorized Amount. In no event shall the liability of the State under this Authorization exceed the "Total Amount Authorized" as indicated on this Vendor Authorization Form.
2. Inspection and Acceptance. The State shall have the right to inspect all goods or services provided by Vendor under this Authorization. If upon inspection, the State determines that the goods or services are defective, the State shall notify Vendor, and Vendor shall re-deliver the goods or provide the services at no additional cost to the State. If after a period of thirty (30) days following delivery of goods or performance of services the State does not provide a notice of any defects, the goods or services shall be deemed to have been accepted by the State.
3. Modification, Amendment or Change Order. This Authorization may be modified only by a written amendment or change order signed by the State and the Vendor.
4. Limitation of Liability. The State shall have no liability except as specifically provided in this Authorization. In no event shall the State be liable to the Vendor or any other party for any lost revenues, lost profits, loss of business, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise. The State's total liability under this Authorization or otherwise shall under no circumstances exceed the Total Authorization Amount.
5. Limitation of Vendor's Liability. The Vendor's liability for all claims arising under this Authorization shall be limited to an amount equal to two (2) times the Total Authorization Amount. In no event shall this Section limit the Vendor's liability for intentional torts, criminal acts, fraudulent conduct, or omissions that result in personal injuries or death.
6. Termination for Convenience. The State shall have the right to immediately terminate this Authorization, without cause and for any reason, upon written notice to the Vendor, delivered by mail or electronic means. The State's notice of termination is effective upon the State's issuance.
7. Subject to Funds Availability. The State's payment of the Purchase Order generated from this Authorization is subject to the appropriation and availability of State or federal funds. In the event that funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Authorization, effective immediately, upon written notice to the Vendor. If the State terminates this Authorization due to lack of funds availability, the Vendor shall be entitled to compensation for all conforming goods requested and accepted by the State and for all satisfactory and authorized services completed as of the termination date.
8. Payment of Purchase Order. A payment by the State shall not prejudice the State's right to object to or question any payment, invoice, or other matter. A payment by the State shall not be construed as acceptance of goods delivered, any part of the services provided, or as approval of any amount invoiced.
9. Deductions. The State reserves the right to deduct from amounts, which are or shall become due and payable to the Vendor, under any contract between the Vendor and the State.

10. State and Federal Compliance. The Vendor shall comply with all applicable state and federal laws and regulations in the provision of goods or services under this Authorization.
11. Governing Law. This Authorization shall be governed by and construed in accordance with the laws of the State of Tennessee. The Tennessee Claims Commission or the state or federal courts in Tennessee shall be the venue for all claims, disputes, or disagreements arising under this Authorization. The Vendor acknowledges and agrees that any rights, claims, or remedies against the State of Tennessee or its employees arising under this Authorization shall be subject to and limited to those rights and remedies available under Tenn. Code Ann. §§ 9-8-101 through 9-8-407.
12. Entire Agreement. This Authorization contains the entire understanding between the State and the Vendor relating to its subject matter, including all terms and conditions of the parties' agreement. This Authorization supersedes any and all prior understandings, representations, negotiations, and agreements between the State and the Vendor, whether written or oral.
