1. Total Authorized Amount. In no event shall the liability of the State under this Purchase Order exceed Twenty-Two Thousand Dollars (\$22,000.00) ("Total Purchase Order Amount").
2. Inspection and Acceptance. The State shall have the right to inspect all goods or services provided by Vendor under this Authorization. If upon inspection, the State determines that the goods or services are defective, the State shall notify Vendor, and Vendor shall re-deliver the goods or provide the services at no additional cost to the State. If after a period of thirty (30) days following delivery of goods or performance of services the State does not provide a notice of any defects, the goods or services shall be deemed to have been accepted by the State.
3. Modification, Amendment or Change Order. This Authorization may be modified only by a written amendment or change order signed by the State and the Vendor.
4. Limitation of Liability. *Only to the extent allowed under State law*, the State shall have no liability except as specifically provided in this Authorization. In no event shall the State be liable to the Vendor or any other party for any lost revenues, lost profits, loss of business, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise. The State's total liability under this Authorization or otherwise shall under no circumstances exceed the Total Amount Authorized.
5. Limitation of Vendor's Liability. *Only to the extent allowed under State law*, the Vendor's liability for all claims arising under this Authorization shall be limited to an amount equal to two (2) times the Total Authorization Amount. In no event shall this Section limit the Vendor's liability for intentional torts, criminal acts, fraudulent conduct, or omissions that result in personal injuries or death.
6. Termination for Convenience. The State shall have the right to immediately terminate this Authorization, without cause and for any reason, upon written notice to the Vendor, delivered by mail or electronic means. The State's notice of termination is effective upon the State's issuance.
7. Subject to Funds Availability. The State's payment of the Purchase Order generated from this Authorization is subject to the appropriation and availability of State or federal funds. In the event that funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Authorization, effective immediately, upon written notice to the Vendor. If the State terminates this Authorization due to lack of funds availability, the Vendor shall be entitled to compensation for all conforming goods requested and accepted by the State and for all satisfactory and authorized services completed as of the termination date.
8. Payment of Purchase Order. A payment by the State shall not prejudice the State's right to object to or question any payment, invoice, or other matter. A payment by the State shall not be construed as acceptance of goods delivered, any part of the services provided, or as approval of any amount invoiced.
9. Deductions. The State reserves the right to deduct from amounts, which are or shall become due and payable to the Vendor, under any contract between the Vendor and the State.

10. Hold Harmless. The Vendor agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation, or other entity which may be injured or damaged as a result of acts, omission, or negligence on the part of the Vendor, its employees, or any other person acting for or on its or their behalf relating to this Authorization. The Vendor further agrees it shall be liable for the reasonable costs of attorneys for the State to enforce the terms of this Authorization.

In the event of any suit or claim, the State and Vendor shall give each other immediate notice and provide all necessary assistance to respond. The State's failure to give notice shall only relieve the Vendor of its obligations under this Section to the extent that the Vendor can demonstrate actual prejudice arising from the failure to give notice. This Section shall not grant the Vendor, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106. [THIS SECTION SHALL NOT BE APPLICABLE IF VENDOR IS A GOVERNMENTAL ENTITY]

11. State and Federal Compliance. The Vendor shall comply with all applicable state and federal laws and regulations in the provision of goods or services under this Authorization.

Code Ann. §§ 9-8-101 through 9-8-407.
13. Entire Agreement. This Authorization contains the entire understanding between the State and the Vendor relating to its subject matter, including all terms and conditions of the parties' agreement. This Authorization supersedes any and all prior understandings, representations, negotiations, and agreements between the State and the Vendor, whether written or oral.

Any such extraneous terms and conditions shall be void, invalid, and unenforceable against the State.

The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
