- F. Technical Assistance (TA) Requirements.** HUD will make TA to help the Recipient perform under the Grant Agreement available throughout the term of the Grant Agreement. Recipients required to receive TA must provide to the TA provider a monthly status update on the Recipient's activities and milestones, and the Recipient must work with the TA provider to ensure both that the Project Plan, including Accomplishments, described in Attachment 1, is completed and that all instances of non-compliance with HUD's HMIS requirements are resolved by the end of the period of performance. If the Recipient's Project Plan includes HMIS Consolidation or HMIS functionality changes, the Recipient agrees to receive HUD-funded TA. If the Recipient's Project Plan includes HMIS Consolidation or HMIS functionality changes, the Recipient must submit its HMIS Governance Charter and HMIS Policies and Procedures to a HUD-funded TA provider for review by the deadline specified in Appendix 3. Upon receiving the TA provider's comments and recommendations, the Recipient must review each comment and recommendation identified by the TA provider and must correct all instances of non-compliance with HUD's HMIS requirements. If a report submission is insufficient, HUD will reject the report and notify the Recipient in writing of the corrections the Recipient must make. HUD may suspend the Recipient's ability to draw down Grant Funds while the Recipient has an overdue performance or financial report.
- K. **Indirect Costs.** The Recipient must complete Appendix 2, the "Indirect Cost Rate Schedule" and return it to HUD with this Grant Agreement. The Recipient must provide HUD with a revised schedule when any change is made to the rate(s) included in the schedule. The schedule and any revisions HUD receives from the

Article III

- A. **2 CFR Part 200.** The Recipient and each subrecipient under this Grant must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR Part 200, as now in effect and as may be amended from time to time. The Recipient must notify HUD upon any change in the Recipient’s indirect cost rate during the Period of Performance, so that HUD can amend the Grant Agreement, if necessary, to reflect the change.
- B. **Compliance with Civil Rights Laws.** As applicable, the activities undertaken under the Grant Agreement are subject to Title VI of the Civil Rights Act of 1964 and implementing regulations at 24 CFR part 1, Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8, and the Age Discrimination Act and implementing regulations at 24 CFR part 146.

- H. **Drug-Free Workplace.** The Recipient must comply with drug-free workplace requirements in 2 CFR Part 2429, which adopts the governmentwide implementation (2 CFR part 182).
- I. **Conflicts of Interest.** The Recipient must disclose in writing any potential conflict of interest to HUD. The Recipient and any subrecipient under this Grant must have written standards of conduct for procurements that meet all requirements in 2 CFR 200.318(c). In cases not governed by 2 CFR 200.318(c), the Recipient and its subrecipient(s) must comply with the following conflict of interest requirements:
 - a. General prohibition. No person who is an employee, agent, consultant, officer, or official of the Recipient or subrecipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the

activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or for one year thereafter. Immediate family ties include the following relations of the person, whether by blood, marriage or adoption: spouse, parent (including a stepparent), child (including a stepchild), sibling (including a stepbrother or stepsister), grandparent, grandchild, and in-laws.

- b. Exceptions. HUD may grant an exception to the General Prohibition (described in paragraph (a)) upon the Recipient's written request and satisfaction of the Threshold Requirements for Exceptions (described in paragraph (c)), if HUD determines the exception will further the Federal purpose of the Grant and the effective and efficient administration of the Grant-funded activities, taking into account the cumulative effects of the Factors To Be Considered for Exceptions (described in paragraph (d)).
- c. Threshold Requirements for Exceptions. HUD will consider an exception only after the Recipient has provided the following documents:
 - i. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
 - ii. An opinion of the Recipient's attorney that the interest for which the exception is sought would not violate State or local law.
- d. Factors to Be Considered for Exceptions. In determining whether to grant a requested exception after the Recipient has satisfactorily met the Threshold Requirements for Exceptions (described in paragraph (c)), HUD will consider the cumulative effect of the following factors, where applicable:
 - i. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program that would otherwise not be available;
 - ii. Whether an opportunity was provided for open competitive bidding or negotiation;
 - iii. Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
 - iv. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process with respect to the specific assisted activity in question;
 - v. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (a);
 - vi. Whether undue hardship will result either to the Recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
 - vii. Any other relevant considerations.

- J. Prohibition Against Lobbying Activities.** The Recipient must comply with the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment) and 24 CFR Part 87, which prohibit recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, loan, or cooperative agreement. The Recipient must include in its award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements), the requirements for the certification required by Appendix A to 24 CFR Part 87 and for disclosure using Standard Form- LLL (SF-LLL), "Disclosure of Lobbying Activities." In addition, the Recipient must obtain the executed certification required by Appendix A and an SF-LLL from all covered persons. "Person" is as defined by 24 CFR Part 87.
- K. Environmental Requirements.** As provided in Section VI.B.10 of the NOFA, the activities funded under this Grant Agreement are categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and not subject to environmental review under related laws and authorities.

Article IV.

- A. Noncompliance.** If HUD determines preliminarily that the Recipient or one of its subrecipients has not complied with the terms and conditions of the Grant Agreement, HUD will give the Recipient notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD, and on the basis of substantial facts and data, that the Recipient has complied with the requirements. Upon preliminary determination HUD may change the method of payment to reimbursement and require the Recipient to submit documentation before payment and obtain HUD's prior approval each time the Recipient draws down funds. To obtain prior approval, the Recipient may be required to manually submit its payment requests and supporting documentation to HUD in order to show that the funds to be drawn down will be expended on eligible activities in accordance with the Grant Agreement. If the Recipient fails to demonstrate to HUD's satisfaction within the prescribed time that the activities were carried out in compliance with the Grant Agreement, HUD may impose additional conditions, as described in 2 CFR §200.207, or take one or more of the actions described in 2 CFR 200.338, or require the Recipient to receive HUD-funded TA, or may terminate the grant.
- B. Closeout.** The grant will be closed out in accordance with 2 CFR part 200. No later than 90 days after the Period of Performance End Date, unless HUD grants an extension, the Recipient must provide to HUD the following, in the format(s) approved by HUD:
 - a. A certification of completion of all activities;
 - b. A certification of compliance with all requirements of the Grant Agreement;
 - c. A report of the amount and types of costs charged to the Grant and a certification that the costs meet the allowability and allocability requirements of 2 CFR Part 200, Subpart E.

- d. The final performance report, including as an attachment the final financial report.
- C. **Continuing requirements.** Closeout of the Grant shall not affect the Recipient's record retention responsibilities under 2 CFR 200.333 or any other continuing responsibilities of the Recipient under this Grant Agreement. When original or replacement equipment acquired under this Grant Agreement is no longer needed for the activities described in the application or activities supported by HUD, the Recipient shall request disposition instructions from HUD.
