NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That subject to the requirements, limitations and conditions contained herein, Medhat Gad dba M & S Market is hereby granted the privilege to construct and maintain said aerial encroachment in accordance with the plans which are on file in the office of the Director of Public Works, and which are more particularly described by lines, words and figures on the attached sketches which are attached to and made a part of this Resolution.

Section 2. That the authority granted hereby for the construction, installation, operation, and maintenance of said aerial encroachment shall not be construed as a surrender by the Metropolitan Government of its rights or power to pass resolutions or ordinances regulating the use of its streets, or the right of the Metropolitan Government through its legislative body, in the interest of public necessity and convenience to order the relocation of said facilities at the expense of Medhat Gad dba M & S Market.

Section 3. That plans and specifications for said aerial encroachment shall be submitted to the Director of Public Works of The Metropolitan Government of Nashville and Davidson County for approval before any work is begun; and all work, material, and other details of said installation shall be approved by the Director of Public Works prior to its use by Medhat Gad dba M & S Market.

Medhat Gad dba M & S Market shall be responsible for the expense, if any, of repairing and returning the right-of-way to the condition which it was in prior to the installation of said aerial encroachment, and for any street closure.

Section 7. That the authority granted to Medhat Gad dba M & S Market, as herein described, shall not in any way interfere with the rights of the Metropolitan Government, its agents, servants, and/or contractors and utility companies, operating under franchise from the Metropolitan Government to enter, construct, operate, maintain, repair, rebuild, enlarge, and patrol its now existing or future utilities, including drainage facilities, together with their appurtenances, and to do any and all things necessary and incidental thereto.
