

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #35

January 20, 2009

## Green agendas for President Obama's first 100 days

Yale University asked fourteen experts, including Paul Hawken, Paul and Anne Ehrlich, and former EPA administrator William Reilly, to share [their advice](#) for the new President.

## No bike lanes where you live?

Then [make your own](#). As far as we've been able to find out, though, nobody's actually putting this concept into production... yet.

Meanwhile, Miami has just [added bike lanes](#) to one of its major highways - and started turning downtown into a [nearly car-free zone](#) one Sunday every month.

*The Metropolitan Planning Department publishes this weekly digest to inform members of the Planning Commission, Metropolitan Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to the Nashville region. Particular attention is given to sustainable development, smart growth, multi-modal transportation, and other information which will help us build a sustainable future and a more livable city.*
