

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #88
January 27, 2010

Low-carbon travel

Dispatches from the ["slow travel" movement](#).

How bad could it be?

Throwing just one plastic bottle in the trash [won't make any difference](#)... right?

Living the cold life

[These hardy souls](#) say they're being green, or frugal, or something. You might describe their situation differently.

Questions, comments, or link suggestions: craig.owensby@nashville.gov

The Metro Nashville-Davidson County Planning Department publishes this weekly digest to inform members of the Planning Commission, Metro Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to our city and region, with particular emphasis on appropriate development, smart growth, multimodal transportation, and other information which will help us build a sustainable future and a more livable city.
