

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #96  
March 23, 2010

## Traffic: building a better roundabout

It's just a concept so far, but the designers of the "[vortex junction](#)" say it'll move more cars at higher speeds.

## Local, community-supported agriculture

A list of some community gardens, CSAs, and other [sustainable food sources](#) in the Nashville area.

## Staying close to home

Researchers tracking cel-phone use found that nearly half the phone users in that study live most of their lives [within a six-mile circle](#).

Questions, comments, or link suggestions: [craig.owensby@nashville.gov](mailto:craig.owensby@nashville.gov)

The Metro Nashville-Davidson County Planning Department publishes this weekly digest to inform members of the Planning Commission, Metro Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to our city and region, with particular emphasis on appropriate development, smart growth, multimodal transportation, and other information which will help us build a sustainable future and a more livable city.
