

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #111  
July 13, 2010

## Eight approaches to developing green fuels

Biological, chemical, even partly mechanical - they're all being researched as [possible sources of green energy](#).

## “Subway on the Street”

New York's plans for “[Select Bus Service](#)” incorporate some, but not all, of the concepts of Bus Rapid Transit.

## What can I walk to from here?

That's a question [many home buyers are asking](#).

Questions, comments, or link suggestions: [craig.owensby@nashville.gov](mailto:craig.owensby@nashville.gov)

The Metro Nashville-Davidson County Planning Department publishes this weekly digest to inform members of the Planning Commission, Metro Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to our city and region, with particular emphasis on appropriate development, smart growth, multimodal transportation, and other information which will help us build a sustainable future and a more livable city.
