

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #127
November 2, 2010

Becoming a YIMBY

In some situations, the [opposite of "Not In My Backyard"](#) can be entirely appropriate.

Maybe they'll work on kudzu

Montana State University's studying [new ways](#) of turning invasive plants into biofuel.

"Twenty is plenty" in Hoboken, NJ

What better place to see if drivers will [voluntarily accept lower speed limits?](#)

Questions, comments, or link suggestions: craig.owensby@nashville.gov

The Metro Nashville-Davidson County Planning Department publishes this weekly digest to inform members of the Planning Commission, Metro Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to our city and region, with particular emphasis on appropriate development, smart growth, multimodal transportation, and other information which will help us build a sustainable future and a more livable city.
