AGENDA

ABOUT THE ANNUAL PROGRESS REPORT

1991 SWM Act
Counties required to form
Solid Waste Regions

Solid Waste Regions
required to create 10-year
plans to divert waste from
Class 1 (municipal solid
waste) Landfills

10-year plans are updated
each year via the Annual
Progress Report (APR)

- TDEC provides an online portal
and format for the APR

Nashville's Long-term Zero
Waste Master Plan has
replaced the previous 10-
year plan

Successes

- Re-routing of Waste & Recycling Collection
- Recycling Mailers
- Waste and Recycling App

WASTE AND RECYCLING TONS

| Category | 2020 Tons | 2019 tons |
|-------------------|------------|------------|
| MSW Landfilled | 901,423.85 | 975,918.85 |
| C&D Landfilled | 526,087.86 | 357,133.73 |
| Public Recycling | 94,574.56 | 86,658.11 |
| Private Recycling | 196,025.75 | 219,333.62 |
