SUMMARY OF THE CREDIT AGREEMENT

The following is a summary of certain provisions of the Credit Agreement. This summary does not purport to be comprehensive or definitive, and is subject to all of the terms and provisions of the Credit Agreement, to which reference is hereby made. Investors should obtain and review a copy of the Credit Agreement in order to understand all of the terms of that document. Capitalized terms used in this summary and not otherwise defined in this Offering Memorandum or in the Commercial Paper Resolution, shall have the meanings ascribed by the Credit Agreement.

General

The Credit Agreement contains various provisions, covenants and conditions, certain of which are summarized below. The Credit Agreement supporting the Commercial Paper is available solely to pay the principal due on the maturity date of the Commercial Paper in the event sufficient funds are not available from the proceeds of rollover commercial paper or from the Metropolitan Government and the Issuing and Paying Agent may only draw on the Credit Agreement for the payment of the principal due on the maturity date of the Commercial Paper. In addition, the Credit Agreement does not guarantee the payment of principal due on the Commercial Paper in the event that certain events permitting the termination or suspension of the Initial Bank’s obligations occur thereunder as described under the caption “Events of Default and Remedies under the Credit Agreement” set forth below. In such event, sufficient funds may not be available to pay the principal due on the Commercial Paper upon the maturity thereof. The Credit Agreement is not available to pay the interest due at maturity on the Commercial Paper or to pay the principal or interest due at maturity on the Commercial Paper.

Terms not otherwise defined in this “SUMMARY OF THE CREDIT AGREEMENT” and this Offering Memorandum will have the meanings ascribed thereto in the Credit Agreement.

The Credit Agreement permits, and the Issuing and Paying Agency Agreement requires, the Issuing and Paying Agent, on behalf of the Metropolitan Government, to request the Initial Bank to make Loans under the Credit

Agreement to provide the funds to pay principal of the Commercial Paper upon the maturity thereof, to the extent funds are not otherwise available to the Issuing and Paying Agent. All Loans under the Credit Agreement will be evidenced by a single Bank Note issued by the Metropolitan Government to the Initial Bank. The Credit Agreement will expire on June 24, 2024, unless extended pursuant to its terms or otherwise terminated prior to such date.

Conditions Precedent to Each Loan

The obligation of the Initial Bank to make a Loan under the Credit Agreement on any date is subject to the conditions precedent that, on the date of such Loan: (1) the Initial Bank shall have received a properly presented and conforming Notice of Loan (as defined in the Credit Agreement) from the Issuing and Paying Agent (on behalf of Metropolitan Government) delivered not later than the time specified therefor in the Credit Agreement; and (2) no Special Event of Default shall have occurred and no Suspension Event shall have occurred and be continuing. The submission of a Notice of Loan to the Initial Bank shall constitute a representation and warranty by Metropolitan Government on such date that the condition described in clause (2) above is true and correct on the date of such Loan.

In addition, the Initial Bank shall have no obligation to make a Loan in response to a Notice of Loan the proceeds of which would be used to pay the principal of maturing Commercial Paper that was issued by the Metropolitan Government after receipt by the Issuing and Paying Agent and the Metropolitan Government of a Stop Order.

Events of Default and Remedies under the Credit Agreement

If one or more of the following events shall have occurred and be continuing, each such event shall be an “Event of Default” under the Credit Agreement:

(a) the Metropolitan Government shall fail to pay (i) any principal of or interest on any Loans or the Bank Note when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) (other than payments on the Bank Note due solely as a result of acceleration caused by the Initial Bank pursuant to the Credit Agreement), (ii) any Facility Fee or any other amount payable under the Credit Agreement or under the Fee Letter and, in the case of such Facility Fee or other amount, such failure shall continue for a period of three Business Days from the date such obligation was due; (iii) interest on any Commercial Paper when due; or (iv) the principal of any Commercial Paper when due, but the case of this clause (iv) only, solely in the event a Suspension Event has occurred and is continuing;

(b) any representation, warranty, certification, or statement made by the Metropolitan Government in the Credit Agreement, any other Related Document or in any certificate, financial statement, or other document delivered pursuant to the Credit Agreement or any Related Documents shall have been incorrect or untrue in any material respect when made or deemed to have been made;

(c) the Metropolitan Government shall fail to perform or observe certain covenants and agreements set forth in the Credit Agreement;

(d) the Metropolitan Government shall fail to perform or observe any other covenant, agreement, or condition contained in the Credit Agreement, the Bank Note or any other Related Document (other than as addressed by any other Event of Default in the Credit Agreement) and such failure, if capable of being remedied, shall remain unremedied for thirty (30) days after the earlier to occur of (i) the date on which the Metropolitan Government has actual knowledge thereof or (ii) written notice thereof shall have been given to the Metropolitan Government by the Initial Bank; *provided, however*, such breach shall not constitute an Event of Default after such thirty (30) day period for such period of time as, in the judgment of the Initial Bank, the Metropolitan Government is diligently pursuing a cure or correction of such failure and has provided the Initial Bank with a written plan for curing or correcting such failure, but in no event shall such period extend more than ninety (90) days after the occurrence of such default;

(e) one or more final unappealable judgments or orders, issued or rendered by a Government Authority of competent jurisdiction, for the payment of money in excess of \$10,000,000, individually or in

the aggregate, shall be issued or rendered against the Metropolitan Government, and such judgment or order shall continue unsatisfied, unbonded, undismissed and unstayed for a period of sixty (60) days;

(f) the Metropolitan Government shall fail to pay when due and payable (i)(A) any principal of or interest on any Special General Obligation Debt (including, in each case, without limitation, any principal or sinking fund installments but excluding a failure to pay any amount described in clause (vii) of the definition of "Debt" in the Credit Agreement which has been accelerated pursuant to the terms of a letter of credit, credit agreement, standby bond purchase agreement or other similar instrument), and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation of or concerning the Special General Obligation Debt; or any failure to pay the principal of or interest on any Special General Obligation Debt under any indenture, contract or instrument providing for the creation of or concerning such Special General Obligation Debt shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such failure to pay the principal of or interest on any Special General Obligation Debt is to accelerate, or to permit the acceleration of, the maturity of such Special General Obligation Debt or (B) the Metropolitan Government shall fail to pay, when due and payable, any interest on any commercial paper notes issued by or on behalf of the Metropolitan Government which constitute General Obligation Debt or (ii) any principal of or interest on any other Debt (other than as referred to in clause (i) of this paragraph (f) hereof) of the Metropolitan Government having a principal amount in excess of \$1,000,000 and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation thereof or any other default under any indenture, contract or instrument providing for the creation of or concerning such other Debt, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such default or event is to accelerate, or to permit the acceleration of, the maturity of such other Debt;

(g) (i) the Metropolitan Government shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts or (B) seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its assets, or the Metropolitan Government shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the Metropolitan Government any case, proceeding or other action of a nature referred to in clause (i) above which (x) results in an order for such relief or in the appointment of a receiver or similar official or (y) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) there shall be commenced against the Metropolitan Government, any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (iv) the Metropolitan Government shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) of this paragraph (g); or (v) the Metropolitan Government shall admit in writing its inability to pay its debts generally as they become due, or shall become insolvent within the meaning of Section 101(32) of the United States Bankruptcy Code;

(h) (i) any provision of the Credit Agreement, the Commercial Paper, the Bank Note, the Issuing and Paying Agency Agreement, the Initial Resolutions, the Enabling Act or the Commercial Paper Resolution related to the payment of principal or interest on the Commercial Paper, the Loans or the Bank Note or the pledge of the full faith and credit and taxing power (including, without limitation, the Metropolitan Government's ability to levy unlimited taxes on all land, improvements and any other property assessed for Metropolitan Government tax purposes) of the Metropolitan Government securing the Commercial Paper and the Bank Note shall at any time for any reason cease to be valid and binding or fully enforceable on the Metropolitan Government as determined by any Governmental Authority of competent jurisdiction in a final nonappealable judgment, or (ii)(a) the validity or enforceability of any provision of the Credit Agreement, the Commercial Paper, the Bank Note, the Issuing and Paying Agency Agreement,

(k) an "*event of default*" as defined in any Related Document (other than the Credit Agreement, the Bank Note or the Fee Letter) shall occur and be continuing or the Metropolitan Government shall default in the due performance or observance of any material term, covenant or agreement contained in the Commercial Paper Resolution, the Issuing and Paying Agency Agreement or any other Related Document (other than the Credit Agreement, the Bank Note or the Fee Letter) and the same shall not have been cured within any applicable cure period;

(l) a ruling, assessment, notice of deficiency or technical advice by the Internal Revenue Service shall be rendered to the effect that interest on the Commercial Paper is includable in the gross income of the holder(s) or owner(s) of such Commercial Paper and either (i) the Metropolitan Government, after it has been notified by the Internal Revenue Service, shall not challenge such ruling, assessment,

then, and in any such event, other than an Event of Default specified in paragraph (g) under the caption “**Events of Default and Remedies under the Credit Agreement**” above, the Initial Bank may declare the Bank Note, all accrued interest thereon, and all other amounts payable under the Credit Agreement to be forthwith due and payable, whereupon the Bank Note and such interest and all such amounts shall become and be forthwith due and payable without presentment, demand, protest or further notice of any kind, all of which are expressly waived by the Metropolitan Government under the Credit Agreement. If any Event of Default specified in paragraph (g) under the caption “**Events of Default and Remedies under the Credit Agreement**” above shall occur, without any notice to the Metropolitan Government or any other act by the Initial Bank, the Bank Note, together with accrued interest thereon, and all other amounts payable under the Credit Agreement, shall become forthwith due and payable, without presentment, demand, protest, or other notice of any kind, all of which are waived by the Metropolitan Government under the Credit Agreement.

Upon the occurrence of any Special Event of Default, the Commitment shall automatically and immediately terminate with respect to all Commercial Paper and the Initial Bank shall have no obligation to make any Loan.

Upon the occurrence of an Event of Default that is not a Special Event of Default, the Initial Bank may, by notice to the Metropolitan Government, terminate the Commitment (except as provided below), deliver a Stop Order (as defined in the Credit Agreement) to the Issuing and Paying Agent directing the Issuing and Paying Agent to cease issuing any Commercial Paper, whereupon no additional Commercial Paper shall be issued, the Available Commitment shall immediately be reduced to the then outstanding principal amount of Commercial Paper issued prior to the date of such Stop Order, and the Available Commitment shall be further reduced in a similar manner as and when such Commercial Paper issued prior to the date of such Stop Order mature; *provided* that the Commitment shall not terminate, and the right of the Initial Bank to accelerate the maturity of the Bank Note shall not effect the obligation of the Initial Bank to make Loans in an aggregate principal amount equal to the Commitment to the extent necessary for the Metropolitan Government to make required payments of principal of the Commercial Paper issued and sold prior to the date upon which the Stop Order is received by the Issuing and Paying Agent; *provided further* that if any Loan is made that would not have been made but for the application of the immediately preceding provision, such Loan shall be immediately due and payable on the date such Loan was made.

Upon the occurrence of a Default under clause (ii) or (iii) of paragraph (g) under the caption “**Events of Default and Remedies under the Credit Agreement**” above, the obligation of the Initial Bank to make Loans under the Credit Agreement shall be automatically and immediately suspended until the proceeding referred to therein is terminated prior to the court entering an order granting the relief sought in such proceeding. In the event such proceeding is terminated, the obligation of the Initial Bank to make Loans under the Credit Agreement shall be reinstated and the terms of the Credit Agreement will continue in full force and effect (unless the obligation of the

Initial Bank to make Loans under the Credit Agreement shall have otherwise expired or terminated in accordance with the terms of the Credit Agreement or there has occurred a Special Event of Default) as if there had been no such suspension.

Failure to take action in regard to one or more Events of Default shall not constitute a waiver of, or the right to take action in the future in regard to, such or subsequent Events of Default.

If any Event of Default shall occur, then and in every such case the Initial Bank shall be entitled to proceed to protect and enforce its rights by such appropriate judicial proceeding as it may deem most effectual to protect and enforce any such right, either by suit, in equity, or by action at law, whether for the specific performance of any covenant or agreement contained in the Credit Agreement, in aid of the exercise of any power granted in the Credit Agreement, or to enforce any other legal or equitable right vested in the Initial Bank by the Credit Agreement, the Bank Note or by law. The provisions of the Credit Agreement shall be a contract with each and every Holder and the duties of the Metropolitan Government shall be enforceable by any Holder by mandamus or other appropriate suit, action, or proceeding in any court of competent jurisdiction.

Unless the payment of the principal of the Commercial Paper otherwise shall be provided for by or on behalf of the Metropolitan Government from proceeds of other Commercial Paper or other available moneys, on or before the respective maturity dates thereof the Metropolitan Government shall, to the extent and as permitted by law, provide for the issuance, sale and delivery of bonds or other obligations of the Metropolitan Government in an amount sufficient to provide for the payment of the outstanding principal of the Commercial Paper at maturity.

In addition, the Commercial Paper shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the Metropolitan Government. For the prompt payment of principal of and interest on the Commercial Paper, the full faith and credit and unlimited taxing power of the Metropolitan Government are irrevocably pledged.

Under State law, the Metropolitan Government's legislative body is authorized to levy a tax on all taxable property within the Metropolitan Government, or a portion thereof, without limitation as to rate or amount, and a referendum is neither required nor permitted to set the rate or amount. For a more complete statement of the general covenants and provisions pursuant to which the Commercial Paper is issued, reference is hereby made to the Commercial Paper Resolution.

The current tax rates are \$3.788 for the General Service District ("GSD") and an additional \$0.443 for the Urban Service District ("USD") (\$4.221 total). These rates became effective in June 2020. Prior to June 2020, the tax rates were \$2.755 for the GSD and an additional \$0.400 for the USD (\$3.155 total). Tennessee law requires that property be reappraised every four years. State law further requires that the result of reappraisal be revenue neutral in the aggregate. As a result, upon the reappraisal of property within the Metropolitan Government, the property tax rate must be adjusted by the Metropolitan Council so that, when levied against the new aggregate assessed value of property within the Metropolitan Government, it generates revenues identical to the prior property tax rate, when levied against the prior aggregate assessed property value. The Metropolitan Government has reappraised property in 2021, as required by State law, and the resulting tax rates will be adjusted to \$2.953 for the GSD and an additional

\$0.335 for the USD (\$3.288 total). The Metropolitan Government may further adjust these rates as part of the 2021-2022 fiscal year or future fiscal year budgets.

By referendum passed on November 7, 2006, voters in the Metropolitan Government amended the Charter of the Metropolitan Government (the “Charter”) to require that all future increases of the maximum ad valorem (real property) tax rate of \$4.04 per one hundred dollars of assessed property value in the GSD and an additional \$0.65 per one hundred dollars of assessed property value in the USD (\$4.69 total) be first approved by voter referendum prior to implementation by the Metropolitan Government. Section 9-21-101 et seq. of the T.C.A. (pursuant to which the Commercial Paper is issued) dictates the levy of a tax sufficient to pay debt service of any general obligation bonds or notes issued thereunder, without regard to any other State or local laws to the contrary. Bond Counsel will opine that the pledge of the Metropolitan Government's unlimited taxing power is valid, binding and enforceable against it, and that there is no limitation on the Metropolitan Government's ability to impose sufficient taxes to fund debt service on the Commercial Paper. (See APPENDIX A – Form of Opinion of Bond Counsel.) If valid, the Charter amendment may limit the Metropolitan Government's ability to raise additional revenues for governmental requirements – other than the payment of general obligation debt service – by increasing property tax rates. The Charter amendment does not purport to specifically limit that portion of the tax rate allocable to the payment of debt service.

The Metropolitan Government's Department of Law and Bond Counsel have each opined that a court would likely find the Charter amendment to be invalid as an unconstitutional limitation on the exercise of the Metropolitan County Council's taxing authority. Neither the legal effect nor the constitutionality of the Charter amendment has been challenged, and the timing and outcome of any such challenge cannot be predicted.

As discussed in the “LITIGATION” section herein, taxpayers have filed multiple petitions seeking to limit the ability of the Metropolitan Government to increase property tax levies. Should any of these or future initiatives be successful, the resulting limitations on the Metropolitan Government’s ability to increase property tax levies could adversely impact the financial condition of the Metropolitan Government

Remedies and Rights of Holders

The Commercial Paper when duly issued will constitute a contract between the Metropolitan Government and each registered owner of the Commercial Paper. Any registered owner(s) of the Commercial Paper, including a trustee or trustees for the registered owners, shall have the right, in addition to all other rights: (a) by mandamus or other suit, action or proceeding in any court of competent jurisdiction to enforce his or her rights against the Metropolitan Government and the Metropolitan Council and any officer, agent or employee of the Metropolitan Government, including, but not limited to, the right to require the Metropolitan Government, the Metropolitan Council and any proper officer, agent or employee of the Metropolitan Government to assess, levy and collect taxes adequate to carry out any agreement as to, or pledge of, such taxes and to require the Metropolitan Government and the Metropolitan Council and any officer, agent or employee of the Metropolitan Government to carry out any other covenants and agreements and to perform its and their duties under the provisions of Section 9-21-101 et seq. of the T.C.A.; and (b) by action or suit in equity to enjoin any acts or things which may be unlawful or a violation of the rights of such registered owners of the Commercial Paper.

LITIGATION

At the time of the original delivery of the Commercial Paper, there will be furnished a certificate of certain officers of the Metropolitan Government stating that there is no litigation then pending, or to their knowledge threatened, affecting the corporate existence or boundaries of the Metropolitan Government, or the titles of its officials to their respective offices, or the validity of the Commercial Paper or the power of the Metropolitan Government to levy and collect taxes to pay the Commercial Paper.

On August 26, 2020, a group of Metropolitan Government voters filed a petition (the “Petition”) requesting that the Davidson County Election Commission (the “Election Commission”) schedule a referendum, at which voters would be offered the opportunity to vote for or against adding certain provisions to the Metropolitan Government’s Charter, including certain limitations on the Metropolitan Council’s power to increase ad valorem property tax rates without voter approval. One of those provisions (the “Property Tax Provision”) purports to bar the Metropolitan Government from increasing ad valorem property taxes by more than two percent (2%) per year after January 1, 2020, without a voter referendum. This Property Tax Provision purports to (i) effectively rescind

the property tax increase adopted and approved by the Metropolitan Council as part of its budget for Fiscal Year 2021 and (ii) cap future property tax increases at two percent (2%) per year.

The Metropolitan Government's Department of Law has opined that the provisions the Petition seeks to add to the Metropolitan Government's Charter are unconstitutional and violate state law. To review the full opinion issued by the Metropolitan Government Department of Law, see [https://www.nashville.gov/Portals/0/SiteContent/Law/Legal Opinions/2020-01.pdf](https://www.nashville.gov/Portals/0/SiteContent/Law/Legal%20Opinions/2020-01.pdf). Following this opinion, the Election Commission filed a declaratory judgment action in Davidson County Chancery Court, seeking direction as to whether the referendum can be held as requested by the Petition.

By Order dated November 3, 2020, the Chancery Court in Davidson County found that the Petition was defective in form and facially unconstitutional and permanently enjoined the Election Commission from holding a referendum election on the Petition and declared it unconstitutional, facially invalid, and violative of state law. See <https://www.nashville.gov/Department-of-Law/Orders-and-Agreements.aspx> for a copy of the Order. The case is still pending in the Chancery Court because the Court severed certain claims of the Petitioners, which alleged violations of constitutional rights. Once the case is fully resolved, the Petitioners can appeal to the Tennessee Court of Appeals. If unsuccessful at the Court of Appeals, the Petitioners can request an appeal to the Tennessee Supreme Court. The Metropolitan Government will vigorously defend this litigation and expects, but cannot guarantee, that it will ultimately prevail.

On March 25, 2021, a group of Metropolitan Government voters filed a second petition (the "Second Petition") requesting that the Election Commission schedule a referendum at which voters would vote on adding additional provisions to the Metropolitan Government's Charter, including certain limitations on the Metropolitan Council's power to increase ad valorem property taxes without voter approval. The Second Petition purports to (i) set the property tax rate for the 2022 and 2023 fiscal years to the rate in effect prior to the property tax increase adopted by the Metropolitan Council for Fiscal Year 2021 and (ii) cap future property tax increases at three percent (3%) per year absent a voter referendum. The Metropolitan Government expects that the 2021 reappraisal and property tax rate equalization process described above under "SECURITY FOR COMMERCIAL PAPER – Security and Source of Payment" will result in a reduction of the property tax rate to near Fiscal Year 2020 levels.

The Metropolitan Government's Department of Law has opined that the provisions the Second Petition seeks to add to the Metropolitan Government's Charter are unconstitutional and violate state law in multiple ways. On May 10, 2021, the Election Commission approved holding an election on the Second Petition. On May 11, 2021, the Metropolitan Government filed a challenge to the Election Commission's decision in the Chancery Court in Davidson County. The Metropolitan Government expects, but cannot guarantee, that it will ultimately prevail.

TAX MATTERS

Federal Taxes

Bass, Berry & Sims PLC, Nashville, Tennessee, is Bond Counsel for the Commercial Paper. Their opinion under existing law, relying on certain statements by the Metropolitan Government and assuming compliance by the Issuer with certain covenants, is that interest on the Commercial Paper is excluded from a Commercial Paper holder's federal gross income under the Internal Revenue Code of 1986, as amended (the "Code"), and is not treated as an item of tax preference in calculating the alternative minimum tax imposed on individuals under the Code.

The Code imposes requirements on the Commercial Paper that the Issuer must continue to meet after the Commercial Paper is issued. These requirements generally involve the way that Commercial Paper proceeds must be invested and ultimately used. If the Issuer does not meet these requirements, it is possible that a Commercial Paper holder may have to include interest on the Commercial Paper in its federal gross income on a retroactive basis to the date of issue. The Metropolitan Government has covenanted to do everything necessary to meet these requirements of the Code.

A Commercial Paper holder who is a particular kind of taxpayer may also have additional tax consequences from owning the Commercial Paper. This is possible if a Commercial Paper holder is:

- an S corporation,
- a United States branch of a foreign corporation,
- a financial institution,
- a property and casualty or a life insurance company,
- an individual receiving Social Security or railroad retirement benefits,
- an individual claiming the earned income credit or
- a borrower of money to purchase or carry the Commercial Paper.

If a Commercial Paper holder is in any of these categories, it should consult its tax advisor.

Bond Counsel is not responsible for updating its opinion in the future. It is possible that future events or changes in applicable law could change the tax treatment of the interest on the Commercial Paper or affect the market price of the Commercial Paper. See also “Changes in Federal and State Tax Law” below in this heading.

Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel on the federal income tax treatment of interest on the Commercial Paper, or under State, local or foreign tax law.

State Taxes

Under existing law, the Commercial Paper and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Commercial Paper during the period the Commercial Paper is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Commercial Paper in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

Changes in Federal and State Tax Law

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Commercial Paper or otherwise prevent holders of the Commercial Paper from realizing the full benefit of the tax exemption of interest on the Commercial Paper. Further, such proposals may impact the marketability or market value of the Commercial Paper simply by being proposed. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to Commercial Paper issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Commercial Paper. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Commercial Paper would be impacted thereby. Purchasers of the Commercial Paper should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Commercial Paper, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

LEGAL OPINIONS

The validity of the Commercial Paper will be approved by Bass, Berry & Sims PLC, Nashville, Tennessee, Bond Counsel. For the form of proposed Bond Counsel opinion, which includes certain assumptions as to future acts by the Metropolitan Government, see APPENDIX A. Certain matters will be passed upon for the Initial Bank by Chapman and Cutler LLP.

Proposed Form of Opinion of Bond Counsel

June 24, 2021

Nashville, Tennessee

U.S. Bank National Association

BofA Securities, Inc.

The Metropolitan Government of Nashville and Davidson County General Obligation Commercial Paper Notes, Series 2021 \$375,000,000 Issue Dated June 24, 2021

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by The Metropolitan Government of Nashville and Davidson County (the "Issuer") of \$375,000,000 in aggregate principal amount of its General Obligation Commercial Paper Notes, Series 2021, dated the date hereof (the "Notes"). In such capacity, we have examined the law and such certified proceedings and other documents as we deemed necessary to render this opinion, including, but not limited to, Resolution No. RS2021-963 (the "Resolution") authorizing the issuance and sale of the Notes. As used herein, the term "Notes" shall also mean any Rollover Commercial Paper and Bank Notes (each, as defined in the Resolution) issued for the purpose of paying the principal of the Notes. The terms used herein, but not defined herein, shall have the respective meanings given such terms in the Resolution.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify such facts by independent investigation.

Based on the foregoing, we are of the opinion, as of the date hereof, as follows:

1. The Notes have been duly authorized, executed and issued in accordance with the constitution and laws of the State of Tennessee and are valid and binding obligations of the Issuer.
2. The Resolution authorizing the Notes has been duly and lawfully adopted, is in full force and effect and is the valid and binding agreement of the Issuer enforceable in accordance with its terms.
3. The Notes constitute general obligations of the Issuer for the payment of which the Issuer has validly and irrevocably pledged its full faith and credit and unlimited taxing power, and the full faith and credit of the Issuer is pledged to the payment thereof.
4. Interest on the Notes is excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and interest on the Notes is not treated as an item of tax preference in calculating the alternative minimum tax imposed on individuals under the Code. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Notes in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause interest on the Notes to be so included in gross income retroactive to the date of issuance of the Notes. The Issuer has covenanted to comply with all such requirements. Except as set forth in this paragraph 4, we express no opinion regarding other federal tax consequences arising with respect to the Notes.

5. Under existing law, the Notes and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on the Notes during the period such Notes are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Notes in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is to be understood that the rights of the owners of the Notes and the enforceability of the Notes and the Resolution may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Offering Memorandum relating to the Notes.

This opinion is given as of the date hereof, and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,

Bass, Berry & Sims PLC

APPENDIX B

**INFORMATION RELATED TO
THE DEPOSITORY TRUST COMPANY**

[THIS PAGE INTENTIONALLY LEFT BLANK]

Book-Entry-Only System

The description which follows of the procedures and record keeping with respect to beneficial ownership interests in the Commercial Paper, payment of interest and principal on the Commercial Paper to Direct Participants, Indirect Participants or Beneficial Owners (as such terms are defined in this Offering Memorandum) of the Commercial Paper, confirmation and transfer of beneficial ownership interests in the Bonds and other related transactions by and between DTC, the Direct Participants, the Indirect Participants and Beneficial Owners of the Commercial Paper is based solely on information furnished by DTC to the Metropolitan Government for inclusion in this Offering Memorandum. Accordingly, the Metropolitan Government cannot make any representations concerning these matters.

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC.

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (a “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Securities, except in the event that use of the book-entry-only system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be

governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

6. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (as identified in a listing attached to the Omnibus Proxy).

7. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Issuing and Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants or Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct Participant or Indirect Participant and not of DTC, the Issuing and Paying Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Issuing and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

8. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Issuing and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

9. The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

10. The information in this section concerning DTC and DTC's book-entry-only system has been obtained from sources that the Issuer believes to be reliable, but the Issuer, the Dealer and the Issuing and Paying Agent take no responsibility for the accuracy thereof.
