65	All along Murfreesboro Road. Also on Nashboro Blvd. I almost hit a lady with a shopping cart the other day on M'boro Rd. as the car in front of me veered away from her and didn't really allow me response time to veer away. 141	Less trash and broken glass to ride through. The amount of litter in this and surrounding areas is obscene.	1/11/2021 4:38 PM
142	Nothing. Why would you think we'd feel safe walking or riding a bike in Antioch? Are you crazy? People drive like bats out of hell. What makes you think a pedestrian or biker would actually survive in that area??	1/11/2021 3:52 PM
143	Nothing. Too much traffic and always a wreck on these roads. There's always a homeless person at the busy intersections. Some passed out or look very high.	1/11/2021 3:48 PM
144	Nothing	1/11/2021 3:34 PM
145	The drivers in this area can be reckless and unaware. Designated bike lanes or large sidewalks with separation from the road would help increase safety of riding.	1/11/2021 2:46 PM
146	I'm not sure how much could be done for that. I don't feel safe using the existing bike lanes around town as they are used by vehicles quite often both to drive and park in.	1/11/2021 2:45 PM
147	Bike lanes constructed off the road rather than bike lanes striped on the road. Striped bike lanes are too dangerous for bikers. We don't want to reduce vehicle speeds just so we can add striped bike lanes. Look at the Netherlands to see how to do bike lanes in suburban areas.	1/11/2021 2:34 PM
148	I'd have to buy a bicycle!	1/11/2021 1:49 PM

153	Hamilton Church needs to be developed more and widened wut sidewalks. The intersection needs re-woking. I'd honestly love to see a second entrance and exit to Wal-Mart via Murfreesboro Road.	1/11/2021 12:32 PM
154	using bicycles on a busy road is poor judgement - a 200 lb bike/biker is no match vs a 3500 lb car - the two don't mix. I have bikes - we ride only on side roads, greenways, etc. can the bike riding initiative - it is a fantasy.	1/11/2021 12:24 PM

168	Less aggressive traffic	1/11/2021 8:25 AM

## Murfreesboro Pike/Bell Road Study

279	Safer bike lanes - a buffer from Murfreesboro Rd	1/8/2021 10:00 PM
280	More sidewalks, lighting	1/8/2021 9:57 PM
281	On my commute to work, and in my passing through that area in general, I find that it is all too common to see distracted driving. Mostly people on cell phones and inattentive. And if I'm not mistaken, there's a law stating that none of us should be holding or talking on our phones while driving. However, this must not be the law in SE Nashville/Antioch, because there's blatant disregard. And there's not enough enforcement of the law for it to really deter anyone. We also have a lot of hot rodding and street racing and other careless/reckless driving. I teach high school seniors in Metro, and sometimes I wish I didn't know some of the things that I know regarding students and driving. Most of my students who do drive, drive without a license (I'm not exaggerating). Many of my students joke about "no cop, no stop" (running a stop sign or red light if a cop isn't around). This terrifies me because I've come within feet of being hit at the stop-light intersection of Smith Springs and Old Murfreesboro Rd (which isn't in your study area) as well as at the Hamilton Church and Mt View four-way stop (which also is not in your study area). It is so dangerous that I avoid both of those locations, using another route, unless I have absolutely no other choice. Since these areas are bad enough as a driver, there would be no way that I would even think of biking there as it stands now.	1/8/2021 9:31 PM
282	Wider side walks	1/8/2021 9:25 PM

299	Bike lanes	1/8/2021 5:32 PM
300	We need more bike paths and trails in the area. It would be even better if those paths and trails ran parallel to the road but set back a safe distance.	1/8/2021 5:31 PM
301	Places to bike	1/8/2021 5:25 PM
302	More safety features like bike lanes or shoulders	1/8/2021 5:22 PM
303	Police presence. Retail. Green space. Trash picked up	1/8/2021 5:16 PM
304	Probably nothing since enforcing people not driving in the bike lane would be nearly impossible	1/8/2021 5:14 PM
305	Less crime, drag racing and gangs. Area is in desperate need of police presence or all and any monies spent in Antioch will be a complete and utter waste of taxpayer funds or the like.	1/8/2021 5:14 PM
306	Places to bike.	1/8/2021 5:11 PM

123	question #31 required an answer, but did not offer me an option that i would choose - you should disregard my answers to that question - invalid format on your part. We don't need trees on the street - no one takes care of the trees, they block visibility for drivers, they present obstacles for folks looking for a business such as a physician or lawyer, insurance company, etc. No trees in the street.	1/11/2021 12:32 PM
124	Around the more densely developed areas -- they would soften the visuals. In some places trees would not be practical, but hedges would be nice. Those would require more maintenance, but perhaps a merchant improvement tax or something similar could allow that.	1/11/2021 11:56 AM

## Murfreesboro Pike/Bell Road Study

133	Murfreesboro Road, Bell Road	1/11/2021 9:50 AM
134	Everywhere	1/11/2021 9:14 AM
135	Wherever they can mature/grow/thrive and would be suitable.	1/11/2021 8:38 AM
136	Along murfreesboro pike	1/11/2021 8:26 AM
137	As long as they don't take away any lanes, including the middle lane, I don't care.	1/11/2021 8:08 AM
138	medians	1/11/2021 7:51 AM
139	In as many areas as is possible. HOWEVER, THE SPACES OWNED BY THE CITY ARE RARELY GROOMED AND LOOK LIKE CRAP MOST OF THE GROWING SEASON. THEY ARE ALSO TRASHED BY THE LOCAL RESIDENTS.	1/11/2021 7:42 AM
140	roadside	1/11/2021 7:13 AM
141	anywhere	1/11/2021 6:30 AM
142	Murfreesboro Rd is particularly in need of some greenery.	1/11/2021 5:52 AM
143	Dividing the lanes. Similar to the Cool Springs area.	1/11/2021 3:37 AM
144	along murfreesboro and bell rd	1/11/2021 1:13 AM
145	Everywhere and trash recepticals.	1/10/2021 11:51 PM
146	Mainly at the intersection of Murfreesboro/Bell Road. It's so bland, commercial and very run down looking. Trees would liven it up.	1/10/2021 11:46 PM
147	As many places as possible	1/10/2021 10:31 PM
148	Where ever they could safely be placed.	1/10/2021 10:14 PM

153	Anywhere!	1/10/2021 9:16 PM
154	Everywhere	1/10/2021 8:57 PM

157	Along Bell Road, murfreesboro road, and Hamilton Church Road	1/10/2021 8:33 PM
158	?	1/10/2021 8:28 PM
159	Don't do it like you did on Nolensville Rd between Thompson and 440. Trees are nice, but traffic flow and VISION of traffic is more important	1/10/2021 8:18 PM
160	All over!	1/10/2021 7:55 PM
161	Murfreesboro Pike, Bell Road, Nolensville Pike, Anderson Road, Hamilton Church Road, Stewarts Ferry Pike	1/10/2021 7:31 PM

163	Down murfreesboro pike	1/10/2021 7:03 PM
164	All along Murfreesboro and Bell Rd	1/10/2021 6:41 PM

## Murfreesboro Pike/Bell Road Study

206	Throughout	1/9/2021 7:51 AM
207	The intersection of Bell and Murfreesboro Road. There's too much pavement. People trying to cross could really use shade during the hottest times of the year	1/9/2021 6:50 AM
208	All through the study areas	1/9/2021 6:35 AM
209	Hamilton church	1/9/2021 6:25 AM
210	Beautification along Murfreesboro rd starting at the Airport down through to the county line is needed. Street trees through the residential parts of the corridor would be welcome.	1/9/2021 2:00 AM
211	In a place that doesn't block the view of oncoming traffic when you're trying to get out of a parking lot or turn right from a side street.	1/9/2021 12:22 AM
212	Everywhere!	1/9/2021 12:16 AM
213	Every street.	1/8/2021 11:17 PM

222	Murfreesboro Rd and Bell Rds	1/8/2021 8:40 PM
223	All over, I think they are cool.	1/8/2021 8:27 PM
224	Along the road to block buildings from view. And in the median.	1/8/2021 7:16 PM
225	Wherever possible	1/8/2021 6:44 PM
226	Every where they are possible	1/8/2021 6:19 PM
227	Murfreesboro Pike definitely needs them. The more, the better.	1/8/2021 6:02 PM
228	Along Bell Road and Murfreesboro Road	1/8/2021 5:40 PM
229	Everywhere that they're able to be planted.	1/8/2021 5:33 PM
230	Everywhere we can help one	1/8/2021 5:26 PM
231	The whole area could use some greening	1/8/2021 5:26 PM
232	Anywhere available.	1/8/2021 5:23 PM
233	They are a waste. They get planted...nobody EVER cares for them and they die. Waste of money. OR they get to beg...become a problem then have to be removed at tax payer expense. Nobody needs more obstacles on the edge of the streets to kill themselves on then their car inadvertently runs off the roadway.... just a bad idea altogether	1/8/2021 5:21 PM
234	Anywhere! I'm a huge fan of more trees	1/8/2021 5:16 PM
235	Away from the street so they don't block the view.	1/8/2021 5:14 PM
236	Medians and on the sides of the road.	1/8/2021 5:13 PM
237	Everywhere	1/8/2021 5:13 PM
238	EVERYWHERE YOU CAN POSSIBLY PUT THEM!!!!	1/8/2021 5:07 PM

## Murfreesboro Pike/Bell Road Study

103	Around the firehouse	1/11/2021 4:34 PM
104	Go back to landscaped medians issue; who cares about small park. You need to divide the roads from all the dang apartments you're building. So when people go into work, there's direct traffic flows. Now: you have to dodge cars left and right just to get to work. And don't even mention after work!!! People are crazy drivers here and don't give a DAMN about nobody but themselves.	1/11/2021 3:55 PM
105	Remove the buildings that never opened on Murfreesboro Pike (Checker's and Taco space). Looks horrible.	1/11/2021 3:51 PM
106	Anywhere in area	1/11/2021 3:18 PM
107	I don't know where there is room for a park, although I'd like to see one.	1/11/2021 2:49 PM
108	Make it part of the new police station at the old K-Mart site.	1/11/2021 2:37 PM
109	Maybe in sight of the power lines where nothing currently is built.	1/11/2021 1:51 PM
110	Rural Hill area perhaps?	1/11/2021 12:38 PM
111	Murf pk was once a blvd, with a grassed median, lined with trees - the county/city plowed it up and paved it because no one wanted to take care of it - the area has adequate public green space and can't take care of it - especially with the proximity of Percy Priest Lake. Save the money - spend it on the schools, existing roadways, signals - enforce the traffic laws. Save MONEY! lower taxes.	1/11/2021 12:32 PM
112	Anywhere safe and more quiet	1/11/2021 12:25 PM
113	Improving the area will require massive changes and dislocations of homes and businesses. Until I see what that would look like, it's difficult to say where it should be. Vehicle ingress and egress needs significant work to make it easier and less dangerous to drive.	1/11/2021 11:56 AM
114	We can't have on till the homeless situation is taken care of.	1/11/2021 11:34 AM
115	Nowhere. We can't maintain our road sides and medians now.	1/11/2021 11:32 AM
116	Where there are green spaces now labeled for development.	1/11/2021 10:37 AM
117	The old Starwood property	1/11/2021 10:35 AM
118	At the lake area	1/11/2021 10:25 AM
119	Not sure	1/11/2021 10:20 AM
120	Anywhere	1/11/2021 9:14 AM
121	I fear any greenways will attract trash and homeless takeover	1/11/2021 8:43 AM
122	Wherever it's safe and appropriate.	1/11/2021 8:38 AM
123	Where you can fit one	1/11/2021 8:32 AM
124	Closer to Hamilton church road	1/11/2021 8:26 AM
125	Some where that would be safe.	1/11/2021 8:08 AM
126	Let's clean up the area first. Put public areas on a scheduled maintenance schedule. Then we can talk about parks.	1/11/2021 7:42 AM
127	Don't want to see a "Drug" park...	1/11/2021 7:17 AM
128	Wherever they're is available land.	1/11/2021 4:47 AM

79	Along Bell Road maybe accessed from Anderson Road end, too.	1/11/2021 1:51 PM
80	my family has traveled to and will continue to visit greenways in other locales - but truthfully, they are expensive to install, maintain and secure - money should be spent in other public responsibilities before ANY discussion of creating another liability like a greenway is initiated.	1/11/2021 12:32 PM
81	Again, it's difficult to know at this point. The entire Bell/Murfreesboro intersection needs to be redone to eliminate the plethora of overhead wires and infrastructure. Cleaning that up with with landscaping would be pleasant and in a place lots of people could enjoy.	1/11/2021 11:56 AM
82	More public space to maintain. No greenway.	1/11/2021 11:32 AM

19	Regular maintainence tear down abandoned fast food restaurants, plant and maintain grass, concerned about homeless on the street corners	1/12/2021 2:02 PM
20	THERE ARE TOO MANY HILLS IN PARKING LOTS AND BUILDINGS NOT STREET FACING. UNAPPEALING VISUALLY	1/12/2021 12:56 PM
21	need adequate parking. some of these new mixed used spaces lack proper parking. not everyone is in a position to park acres away from entryways. some people dont want to walk mile with bags in arms and babies in strollers. this is still the suburbs, where car culture exists.	1/12/2021 11:27 AM

## Murfreesboro Pike/Bell Road Study

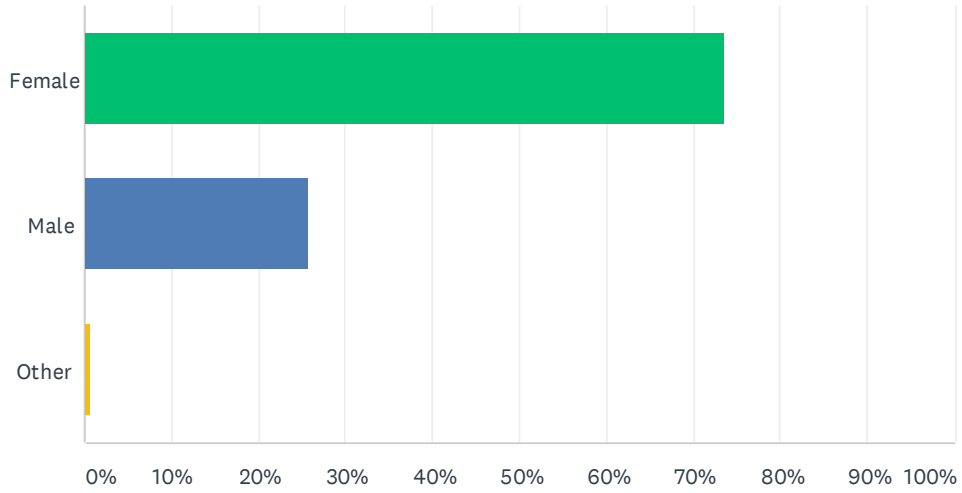

I dont think we should try to be NY. I grew up in one of the BEST planned cities in Amercia, Columbia MD. we experimented alot with different layouts for shopping etc.

22	No litter.	1/12/2021 10:22 AM
23	Make the neighborhood safer. Get rid of the crime.	1/12/2021 1:50 AM
24	Cleaner streets!!!!	1/11/2021 8:39 PM
25	Police Precinct	1/11/2021 6:53 PM
26	Do not reduce speed limit, reduce stop lights so traffic flows better	1/11/2021 4:56 PM
27	Traffic calming and enforcement. Murfreesboro Pike is drag city. The police crack down once in a while, but the races continue unabated on every other day which is most days. This brings us to a MAJOR issue in this area. WE DO NOT HAVE OUR OWN POLICE DEPARTMENT FOR THIS PART OF TOWN.	1/11/2021 4:46 PM
28	More police presence, slow traffic down instead of the fast speeds everyone is doing	1/11/2021 3:56 PM
29	dont spend any more money - just maintain what we have. save money.	1/11/2021 12:34 PM
30	The Bell/Murfreesboro intersection is a mess for pedestrians, but necessary to access transit stops and sidewalks. This might be a good place for an "X" crosswalk with traffic stopped in all directions. It needs to be timed to allow elderly and disabled folks to move across, but faster and safer than a rectangle which exposes pedestrians to more risk. Obviously this is a problem during rush hours, but I have confidence that the smart people at Metro with experience in this sort of thing will have ideas.	1/11/2021 12:02 PM
31	Smart traffic lights that respond to traffic flow. Not just coordinating the lights we have.	1/11/2021 11:34 AM
32	Police precinct	1/11/2021 11:30 AM
33	Speed bumps in residential neighborhoods with high cut through traffic. Example. HUNTINGBORO TRAIL.	1/11/2021 3:39 AM
34	Speed and Noise control devices or measures implemented.	1/10/2021 11:23 PM
35	Safer area... Clean up the area and improve it	1/10/2021 8:57 PM
36	Street lights	1/10/2021 8:51 PM
37	Reengineering of Mboro Rd/Bell Rd Intersection	1/10/2021 8:19 PM
38	More police	1/10/2021 7:59 PM
39	More of a Police presence	1/10/2021 7:32 PM
40	Police cracking down on aggressive and wreckless drivers	1/10/2021 5:51 PM
41	Enough safe parking	1/10/2021 2:40 PM
42	Again, better traffic control. People passing in the center lane etc	1/10/2021 1:31 PM
43	All of these features are desperately needed in the area	1/10/2021 1:24 PM
44	Traffic cameras	1/9/2021 2:12 PM
45	more policing. our substation as promised	1/9/2021 1:38 PM
46	Underground utilities, signage restrictions (see Irvine, CA), manicured landscaping throughout, get rid of beggars on every street corner.	1/9/2021 11:37 AM
47	No drug addicts on our corners	1/9/2021 7:55 AM
48	ART! Public art, murals... A spot for food trucks.	1/8/2021 9:18 PM
49	Somewhat of a limited access to main roadways. Medians should be built to prevent left turns close to major intersections and interstates.	1/8/2021 8:29 PM
50	Police presence and lower crime	1/8/2021 5:22 PM
51	People being more responsible for the area	1/8/2021 5:16 PM

1	This is great diverse community - would like to see our paid taxes be reflected in our community & available services to include the Police Station. - thanks for the survey.	4/30/2021 12:42 PM
2	Our area is so full of litter and that makes it so much uglier and unappealing than it could be. I personally go out and pick up trash along the roadside occasionally. Also, there is foot traffic and they really don't have a safe space to walk and are often in the road, and I am very concerned for their safety, as well as the drivers. It would be nice to have more attractive looking businesses in the Bell Rd/Murfreesboro Rd intersection area; they are frankly pretty ugly, though I wouldn't want to put any small businesses out of business there. Our area is depressing-looking in places. I would like to see a place where people could play basketball and tennis without having to drive so far.	3/28/2021 4:52 PM
3	Yes, I would like our Mayor to allocate more funds to us in District 33, we need infrastructure. Our roads are awful, the crime too. We feel like a forgotten city.	3/25/2021 3:41 PM
4	Pipe dream for all the parks in greenways not enough room too many people not enough infrastructure whatever their building right across from thorntons at mothersboro road in Mount view road where are people going to park or is it playing that people not have cars anymore	3/24/2021 12:08 AM
5	A major concern in this area, I think, is the sheer volume of traffic, and that's before any additional houses/townhomes/apartments are built. There's SO MUCH traffic. Any plans need to not only keep that in mind, but be prepared for how the area will keep growing.	3/21/2021 5:26 PM
6	The corridor from Rural Hill & Murfreesboro Rd all the way down to Hamilton Church & Murfreesboro Rd is an eyesore.	3/18/2021 7:04 AM

8	Lennox village has a look...Brentwood has a look...Make sure Antioch has an upscale, MODERN LOOK and feel too.	2/12/2021 1:18 PM
9	Until the infrastructure is better, updated to accommodate the size of our community, cars, trucks, vans, bikes etc I would say no more family dwellings	2/9/2021 11:10 PM
10	Adopting Japanese-style (flexible) zoning laws would probably make more dynamic, livable areas. Banning predatory businesses (cash advance, cash for gold, pawn, etc) would benefit our community. Eliminating car culture would be great -- remove the roads, set up an outlying parking garage with public transit and bikes. Make the area an outdoor mall and greenway park.	2/9/2021 10:16 PM
11	I am the President of the HOA Board of Directors in the Provincetown Community and am very interested in seeing this study area safer and improving overall.	2/9/2021 9:09 PM
12	The survey closes today and even though I am well connected, I JUST heard about it - should be more out there!	2/9/2021 7:31 PM
13	No	2/9/2021 5:24 PM
14	I feel like the survey leads you. There are several questions, where there isn't an option that agree with, but there is no option for "other"	2/9/2021 3:10 PM
15	Crime is our problem. Businesses do not want to come here.	2/9/2021 2:50 PM
16	The area has far too many multi unit apartments and is becoming overcrowded quickly.	2/9/2021 2:38 PM
17	Thank you for requesting our input. I just want to see Antioch valued as other parts of Davidson County. I love it here!	2/9/2021 2:10 PM

20	Most planners try to get people out of their cars. It doesn't work. Get bikes off the street and provide more lanes for cars and buses.	1/29/2021 4:31 PM
21	The home and business owners should not be negatively affected by this transformation	1/29/2021 11:00 AM
22	It is going to be very difficult to displace current businesses and residences for this improvement project. I don't understand the point of this survey without the land and business owner's consent to change use.	1/28/2021 4:24 PM
23	The traffic issue for this area is due to an enormous amount of citizens driving into work from Rutherford County (Laverne and Smyrna) due to the extreme traffic on Interstate 24. What are we going to do to address this issue? All stakeholders have to be involved on the local and county levels to address these issues. We can add transit, developments, trees, parks and greenways until we are blue in the face, what about the traffic that floods this area from 6am to 930am each morning during the week and 230pm to 7pm in the afternoon/evening each day during the week coming from Rutherford County?	1/25/2021 9:40 PM
24	So happy you are looking at this. Sorely needed! Need to create more public/green destinations and less pawn shops, fast food or auto mechanics.	1/24/2021 9:33 AM

30	stop the speeding	1/21/2021 12:48 PM
31	Hamilton church and Owendale is constant traffic flow and backed up,only two lane no turning lane,after 10pm this area becomes a race track,,no police presence at all,,	1/21/2021 12:11 AM
32	Can't wait to hear more.	1/20/2021 8:47 PM
33	I hope and think once the mall is sold or whatever that needs to be done. It will give the Antioch area hope again, but it needs the things that will make the area thrive again. It would be great to have the Wedgewood, East Nashville and also West Nashville vibe. I see great things and new changes in those areas. I just pray we will see that in Antioch once again.	1/20/2021 7:51 PM
34	I have lived in Antioch for 30 plus years and now we are have shoot outs and I sit in my living and count the number of shots being fired. Would like to see improvement to Antioch	1/20/2021 3:47 PM
35	would love to see rain gardens to help with stormwater issues	1/20/2021 12:15 PM
36	Put the Police station in the old hickory hollow mall, if not at the old Kmart space	1/19/2021 10:50 PM
37	Trash lined main and neighborhood streets needs to be addressed. Parking violations need to be addressed. Take a drive down Willowbranch and Griggs. Cars parked on sidewalks, yards, and handicapped sidewalk areas. If this is the type of housing you are looking to add, come take a look at what I'm talking about.	1/19/2021 10:20 PM
38	Thank you for asking us. I would really like to Antioch beautiful. Many new people are moving here everyday. This area needs attention. I am excited about improvements. A big problem is people throwing fast food trash from their cars. I hope this stops soon	1/19/2021 5:01 PM
39	Act on the results please	1/18/2021 9:32 PM
40	I would not feel safe walking in this area without a stronger police presence. We have many drivers that do not follow the speed limit in this area. Also, there seems to be a lot of shootings in the area.	1/18/2021 9:13 PM
41	Thank you!	1/18/2021 7:49 PM

## Murfreesboro Pike/Bell Road Study

43	Thank you for making our community more family friendly. I've lived in this area for years and feel like it has a bet reputation. It can be a jewel. Glad that efforts are being made for improvements to landscape, make it more family friendly and safer (sidewalks and bike paths). Our area's population has dramatically increased without improvements made to keep up with the increased traffic. THANK YOU for these efforts.	1/18/2021 11:04 AM
44	The whole area has too much trash and too many homeless people and too many places out of business. There are also no sign codes or building codes that are noticeable.	1/17/2021 8:45 PM
45	Litter clean ups would make a huge impact in the appearance of our area and the overall morale of the residents.	1/17/2021 7:45 PM
46	We need more affordable single family homes, green spaces, and sidewalks in this area. I continue to see apartment communities being erected and we do not need another apartment building in the Antioch area. We need more affordable single family houses to promote ownership and personal accountability. We don't need more fast food restaurants. We need spaces for mom and pop retail businesses and walkability to get there.	1/17/2021 7:35 PM
47	No more low income housing in this area.	1/17/2021 4:50 PM
48	If it's made nice that will bring out the people begging for money on every street corner. In my opinion	1/16/2021 11:07 PM
49	No	1/16/2021 9:34 PM
50	I do not want development to push out currently operated small businesses.	1/16/2021 4:59 PM

55	Please improve this area. It has a bad reputation and looks like it deserves it. I've been here 25 years and have seen it at its best.	1/14/2021 10:47 AM
56	Thank you for considering this area. I live in a beautiful home in Cambridge Forrest subdivision and I often think about moving because the area is so incredibly unappealing with real retail stores or restaurants. Only gross fast food - we've had enough of fast food in our community. Once again, thank you.	1/14/2021 10:08 AM
57	Na	1/14/2021 4:46 AM
58	If regular maintenance will not be kept up on the landscaping don't waste money doing it.	1/13/2021 1:59 PM
59	yes. Force the Kwik Sak on the corner of Morris Gentry Blvd and Murfreesboro rd. to comply with codes. They are chronic code offenders that council members have worked for years to attempt to bring into compliance with little/no results. The property is an eyesore and the owners./operators make NO effort to clean the trash that builds up on and around their property. My company Priest Lake Veterinary Hospital has adopted Morris Gentry Blvd and we clean the road monthly or more often. The majority of the trash is generated by Kwik Sak which SEVERELY detracts from the neighborhood and what we want to be here in Antioch. Gang signs are also present on property.	1/13/2021 12:12 PM
60	This neighborhood needs a stronger police presence before any aesthetic improvements! Without that they will not last long and will just be left to deteriorate.	1/13/2021 9:37 AM
61	One of the major issues with Murfreesboro Rd is the amount of traffic. Improvements should not lengthen commuter time for the residents of this area.	1/13/2021 7:29 AM
62	More Hotels would be a good business to add at the mall area	1/12/2021 9:53 PM
63	The community needs to be cleaned up. Crime and loitering is to much. Trash is everywhere and buildings are rundown.	1/12/2021 9:49 PM
64	I'd love to see this area become safer to walk and enforcement of the drag racing laws.	1/12/2021 9:43 PM
65	Just don't offer the survey and not do anything about these issues! Thanks	1/12/2021 7:17 PM

66	for any improvement we need to stop the street racing on Mboro rd. Something also needs to be done about the homeless people that have taken over every intersection. From I24 to Mboro there is someone selling that newspaper or begging for money. They have ruined any landscaping that is already there.	1/12/2021 3:26 PM

70	I'm optimistic and have hope. But, I have been this way before for Antioch and have been let down. I hope that good things materialize from this for Antioch.	1/12/2021 1:59 PM

75	I do. I feel that you need to include questions/funds to help the police in the area. The south precinct is severely understand and underfunded and for you to be able to build and preserve the upgrades you need police presence. I would not go near any business around those areas if the safety doesn't improve.	1/12/2021 7:37 AM
76	Please clean up trash in area, remove homeless, landscape green areas and sidewalks, unify color and update store fronts. No wild unusual colors. Enforce speed limits and watch for light runners. Please widen old hickory near TA truck stop and pave road . Add side turning lanes and add a no left turn sign at the new Thornton's	1/12/2021 7:04 AM

82	We would love to have our area look like Franklin or Brentwood would. The same care they get. I work in franklin, you can always tell when you get to antioch. Really sad!! We can be better..☹	1/11/2021 8:46 PM
83	Speeding/racing traffic seems to be a big issue in this area. Anything to make people slow down for safety and any cosmetic improvements to encourage community rather than driving is wonderful.	1/11/2021 7:52 PM
84	Please assess a vacancy tax in this area. A vacancy tax will address eyesore/blighted vacant properties and affordable housing at the same time. Litter is also a major issue in this area.	1/11/2021 6:31 PM
85	Give us our police station and crack down on the race clubs! They nearly killed some friends trying to leave my house to go home one Saturday night.	1/11/2021 4:50 PM
86	The #1 issue in this area is increasing crime (gunfire almost every night) and drag/speed racing. The area continues to decline and we are looking to leave, after being here over 20 years. Unless the crime issue is seriously addressed, I believe said infrastructure and community development will be a waste of taxpayer's dollars.	1/11/2021 4:42 PM
87	Stop all the building! If you can't get the Developers to respect residents while developing projects - stop the building. Ya'll have NO CLUE about infrastructure, and how to get it done around homeowners. It's so sad that Antioch has to be this terrible at this time. We're always in the news about someone getting shot. And why people can drive their cars like they're	1/11/2021 4:00 PM

## Murfreesboro Pike/Bell Road Study

driving on a Nascar speedway is beyond my comprehension. Hoping you guys will figure out how to make it a safer place to live. It's clear you have no idea; that's why we're finding someplace else to live. Antioch is NOT the place to be.

88	It appears this study is aimed at transforming Murfreesboro Pike into an urban enclave rather than having it remain suburban. We should be looking at how to move vehicles more expeditiously rather than slowing everyone down. It may mean constructing tunnels or pedestrian bridges to make walking more feasible crossing the main roads like Murfreesboro Pike.	1/11/2021 2:46 PM
89	My area is Kensal Green off Mt. View and we have lived in this area almost 3 years and still don't have street lights. We have to do something about all the trash everywhere.	1/11/2021 12:57 PM
90	As hopefully we move forward to improving the look of area, safety and reconfigurations need to be addressed at Hamilton Church and Murfreesboro Road intersection. And honestly, they need to continue on down into District 33 all the way to Hobson Pike. A turn lane needs to be installed at Owendale at that light, there needs to be a four way light at Mt.View intersection and all of Hamilton needs to be widened with a sidewalk on one side to have continuous design flow. Hamilton/ Zelida all need to be completely grinded down and repaid especially by the Walmart area. It's a horrible pot hole prone mess. Brush needs to be cleared in the area to promote curb appeal. And I've said it for years that if Wal-Mart had a second entrance via Murfreesboro Road by using the back side of their lot as an alternate entrance and exit it would improve traffic congestion on Hamilton Church and the Walmart property itself. Because it is almost impossible to make a left hand turn onto Hamilton church and Zelita from the current entrance and exit design at peak times.	1/11/2021 12:54 PM
91	Remember this - good community planning does not impede the rights of property owners - a person should be able to use/improve/enjoy their property as they want within reasonable zoning restrictions without overt interference from the gov't or from neighbors who cannot prove direct harm from that intent - e.g. while i like some colors more than others, I don't want my neighbor to tell me what color to paint my building.	1/11/2021 12:44 PM
92	Good luck. This will be a BIG job that will take years to be fully realized. I appreciate Metro's decision to understand this problem.	1/11/2021 12:04 PM
93	Please get the homeless under control. They pose a safety risk and they leave trash everywhere. Also make store fronts clean up there stores and signs on the outside, it looks horrible.	1/11/2021 11:37 AM
94	It would be great to improve space with trees, medians, and gardens, however at them moment the infrastructure in the area is lacking and is missing the basic structure. Speeding and reckless driving occur frequently in the area making it unsafe for any pedestrian or cyclist.	1/11/2021 11:20 AM
95	We are overwhelmed with traffic due to clustered housing	1/11/2021 10:39 AM
96	No	1/11/2021 10:30 AM
97	We have a pedestrian problem...people in dark clothing walking on roads with not much light. We have people parking cars on the road. We have people that dump furniture, especially mattresses on the road. All these things "junk" up the neighborhood and cause crime.	1/11/2021 10:26 AM
98	No	1/11/2021 9:53 AM
99	Security and car racing is the main issue in our area. Too much crime. Hit and Run. This was not an issued alluded to in this survey.	1/11/2021 9:18 AM
100	In general, this entire area has been going downhill since i moved here in 1988. i'd love to see it revitalized and to not be embarassed when i tell people i live in Nashboro Woods/Village. Thank you!!!	1/11/2021 8:55 AM
101	I am for anything that will clean this area up and make it more appealing to detail and development. I own a house here and I really pray I made a good investment but I need for the area to improve to do that.	1/11/2021 8:49 AM
102	I think a lot of the questions about "where should XXXX go" are too specific without giving people choices/options specifically about where things could go - I just live nearby and drive through these areas, I haven't memorized every corner/intersection etc. So a lot of those type of specifics are asked without any context meaning not very productive of a way to ask. Give	1/11/2021 8:41 AM

options, pick A B C show people what the options/choices are - more productive than asking generalized things like where should a park go?

103	We need side walks on Mt. View rd. It's dangerous for people walking, especially at night	1/11/2021 8:34 AM
104	Worry about a Police presence and crime before updating landscaping and sidewalks please	1/11/2021 8:19 AM
105	Please do not take away our history or decrease lanes of traffic. I know some of the older buildings are primarily concrete block, but Antioch's history is that of a farming community. We don't have much of that History left. Please don't take what we have.	1/11/2021 8:17 AM
106	I've always have an issue with this area because the planning for the area has been so scatter shot. The increase in traffic moving down Murfreesboro Road has made anything like what has been proposed a mu point. We have crime and trash. Get rid of those things and then think about renewing the area.	1/11/2021 7:47 AM
107	We will have to wait and see if our elected officials listen to our comments and suggestions or just follow their own plan.	1/11/2021 7:38 AM
108	that whole shopping center at Bell & Murfreesboro where Kroger used to be needs to be torn down as well as the buildings on Bell Rd behind Pizza Hut. They are an eyesore	1/11/2021 7:15 AM
109	any improvement would be a appreciated....especially a police precinct!!!	1/11/2021 6:36 AM
110	I hope to see the area improve, but until we see more police and more enforcement of traffic laws, many people will be discouraged from walking or biking through this corridor.	1/11/2021 4:51 AM
111	Police precinct is just to change the image , reputation & safety for this area.	1/11/2021 3:44 AM
112	A Local Police Station would be nice.	1/11/2021 2:03 AM
113	no	1/11/2021 1:29 AM
114	there's just to much construction going on in nashville and antioch, and surrounding areas. we need to give back some green space and give back to the animals and stop all the building!	1/11/2021 1:24 AM
115	Rarely see any police officers in that area.	1/10/2021 11:56 PM
116	Excited the city is looking into this area! It needs a little love!	1/10/2021 11:49 PM
117	The Community need more Government assistance with property standards enforcement; with strong enfaces on Landlord /Tenant property maintenance and upkeep.	1/10/2021 11:32 PM
118	The grass is allowed to get high and is not cut enough on Murfreesboro Pike in the summer. Looks really bad.	1/10/2021 10:20 PM
119	The number one thing that will make the area more attractive to individuals and businesses is increased police presence. The top complaint I hear from neighbors is safety.	1/10/2021 10:16 PM
120	Im excited to see whats coming to Antioch. Antioch is underestimated I know Antioch will come up again	1/10/2021 9:35 PM
121	We WANT/NEED our K-mart police station!	1/10/2021 9:01 PM
122	Can we really afford this study right now? How much of the information in the 300 pages is going to be repetitive? I know this is revitalizing and not a new build but let's start with sidewalks on hamilton church and go from there.	1/10/2021 8:54 PM
123	We truly need some greenspace in the area and safe walking areas. Folks need to get out of these subdivisions and walk more. Having to drive distances to a decent walking area could be discouraging to folks who know that they need to get moving.	1/10/2021 8:38 PM
124	It's a good try, but as usual is too generic. Fix the intersection at Bell and Mboro--so dangerous. Spend money on better traffic and police presence-finish the new precinct at the old Kmart and not planting trees on the street. Too much crime here. METRO is broke right now, we don't need this right now it is a luxury not a requirement. I love trees and parks, but I'd rather be safe first!	1/10/2021 8:25 PM
125	I think that if you make physical improvements to the study are without more of a police presence it will be a waste of time and money. The area needs to be safe before this work can be done. I do not believe the city manages the budget properly to maintain these improvements on a long term basis.	1/10/2021 8:05 PM

126	Please clean up I 24 exit Haywood lane, Also make the entrance to I 24 wider. Clean up Nolensville by the fair ground all those junk car places need to go, old buildings need to demolish.	1/10/2021 8:03 PM
127	Antioch needs more of a Police presence, littering stopped, and we need the drag racing vehicles impounded permanently.	1/10/2021 7:34 PM
128	Please keep the residents and community abreast of the changes. The survey is a great start of involving the community in the planning.	1/10/2021 7:24 PM
129	Give us our police back!!!	1/10/2021 5:53 PM
130	Wish I could give more input- I retired 3 yrs ago from San Francisco- have a daughter here is the reason I moved here.	1/10/2021 5:47 PM
131	Please cut enforce fines and legal action for drag racing! It is the biggest obstacle keeping me from walking in the area and a major contributor to why I avoid driving there. Additionally, I can hear it from my home at night (in a development, not directly off of a major road).	1/10/2021 5:28 PM
132	no	1/10/2021 5:22 PM
133	At this time, the entirety of the study area feels unsafe, not at all pedestrian friendly, and just industrial and poverty stricken. It doesn't feel like a city or a neighborhood should.	1/10/2021 5:16 PM
134	Thank you for asking!	1/10/2021 5:03 PM
135	N/A	1/10/2021 4:58 PM
136	Yes! We need HEALTHIER food options. Everything built that's related to food is bad for us - mainly fast food. How about some Chipotles, Juicing bars. We need things to promote healthier living - eating and areas to workout.	1/10/2021 4:23 PM
137	One other thing to consider is traffic enforcement. I drive Bell Rd to Cane Ridge every day before the pandemic and often now. I've never driven anywhere in Nashville where there are higher rates of speed and most especially people intentionally running red lights. It's a scary place to drive.	1/10/2021 3:43 PM
138	Thank you	1/10/2021 3:13 PM
139	I would just like to see our town easier to get around and feel safe in doing so. To be able to clean it and add some fresh beautiful things would be wonderful!	1/10/2021 1:41 PM
140	Yes. It would be nice to see a sport and activity complex/community center. Something that offer year round indoor and outdoor activites.	1/10/2021 1:31 PM
141	Priority 1:. Fix the timing of the lights going to I-24! They ALL need to be red or green at the SAME time! They way it is now, bunches up traffic and has for YEARS! 1a:. When the lights getting onto 24 are red, then the lights turning onto Bell Rd are green. The turning lane UNDER the train tracks, needs to be green a little longer because it backs up traffic for those going to Bell Rd..	1/10/2021 12:54 PM
142	The area should be beautified,parks, greenway, walk ways, tress	1/10/2021 12:05 PM
143	The panhandling is out of control in our area. Increase in trash and items left each day causing our area to look bad.	1/10/2021 11:44 AM
144	No more apartments. The zoning for apartment and residential development is going relatively unchecked and is approaching the level of being inundated.	1/9/2021 8:08 PM
145	Investing in this area will only work if crime can also be decreased.	1/9/2021 7:54 PM
146	I think solutions should be aimed at specific problems. This community needs to solve for traffic, local culture, homelessness, inadequate traffic light timing, and lower levels of community engagement. This survey neither asks about nor discloses the problems this community prefers to solve first, nor how these pre-fab solutions will explicitly address the problems our community wants to prioritize.	1/9/2021 7:37 PM
147	Civic improvement is great but with the enormous debt our local government put us in, this matter should wait. What we need is to improve public safety, more police and fire. Our police department is a third of what it should be.	1/9/2021 7:26 PM

148	Get rid of chain restaurants and make businesses like mechanics and tire shops to keep a clean look. Speed limit is a must	1/9/2021 5:41 PM
149	It is not helpful to continue adding apartments/housing to this area without quality food and shopping options.	1/9/2021 5:34 PM
150	I see the coming gentrification of the area. The first property to be affected will likely be the trailer park. Besides the property adjacent to NFD Station 33 and the property adjacent to CVS, it is the largest piece of property that would likely be available for development once such a plan was undertaken. Of course, where are the occupants of this marginal housing going to go?	1/9/2021 3:50 PM
151	We have to make the traffic a priority and then address the landscape	1/9/2021 3:39 PM
152	Do not make any landscaping that interfers with drivers' ability to see safely.	1/9/2021 2:32 PM
153	We need more developed area for schools. Most ideas that we see are catered to the growth of housing, but nothing to accommodate the additional children that move into homes and apartments.	1/9/2021 12:51 PM
154	Please clean it up!	1/9/2021 12:50 PM
155	This area definitely needs a facelift. It needs to be cleaned up as well. Don't just build it and forget it.	1/9/2021 11:40 AM
156	It only let me choose three on the question where the answers included public art. I wanted to also include public art, but didn't want to give up street trees, bike racks and my other answer to do so. Please include public art.	1/9/2021 11:10 AM
157	We do not need more apartments in the area. We need a more effective means of litter control. I love the small businesses in this area - I would hate to see development move them out.	1/9/2021 8:09 AM
158	I have lived in this area for 43 years. And it has broke my heart to watch our area go down hill. Thank you Delisha Porterfield District 29.	1/9/2021 8:02 AM
159	More safety, sidewalks, slower speeds, and educating drivers pedestrians is a big key to this being successful. Please don't approve any more appartments. Stop building on green space and make use of the existing structures or tear them down.	1/9/2021 7:29 AM
160	I worry about the folks walking Murfreesboro Road, up the area between Bell Rd to the Hamilton Church Rd areas with the lack of sidewalks specifically on the side next to the firestation and CVS	1/9/2021 6:56 AM
161	Revitalizing this area would re-engage a huge portion of the south side of the city. Getting more Nashvillians to see that the south side can be home, safe, and welcoming, would be great for driving new business to the area and filling service gaps that exist here. This would potentially also lower crime in the area. This is something south Nashville really is in need of.	1/9/2021 2:10 AM
162	Any improvement would be a vast improvement. Sooner rather than later.	1/9/2021 12:18 AM
163	While I appreciate that consideration is being made to implement changes, please remember the downstream impact to the communities adjacent to these corridors. Our communities are busting at the seams and you keep adding more houses, more apartments. Our traffic is terrible. We need no more homes and apartments in these areas. Making it pretty won't make a difference to those who live here.	1/8/2021 11:01 PM
164	The light at the Hamilton Church/Murfreesboro Pike intersection are absolutely terrible and dangerous. There are frequent car accidents there due to the coordination/timing of the lights.	1/8/2021 10:41 PM
165	Try getting the youth of the community or those in the community who are younger to voice their opinion more on issues such as these. We are the ones who will have to deal with how our community will be affected from any changes in the future.	1/8/2021 10:22 PM
166	Why not extend to Mt View Rd / Murfreesboro Rd would be more cohesive	1/8/2021 10:19 PM
167	How does this study relate to the One Nashville study that was conducted years ago? I think that's what it was called. Community members gave a lot of input and there were community members and metro government people and meetings and pretty maps and renderings of what could be, but I'm not sure that things moved forward from there.	1/8/2021 9:40 PM
168	No more apartments or townhomes	1/8/2021 9:33 PM

## Murfreesboro Pike/Bell Road Study

169	Please. Please... stop allowing multi unit / apartment building to be build in the surround area. We need things to do here... we need cultural activities and places to gather, not more multi unit / apartment building. Please.	1/8/2021 9:22 PM
170	Make a regional plan for the whole southeast.	1/8/2021 7:18 PM
171	Try and get pedestrians to use the crosswalks instead of crossing the middle of the road especially at night when they can't be seen.	1/8/2021 6:47 PM
172	I would love to see public art / parks that celebrate the rich diversity in our community. Any improvements should reflect the people who currently live here.	1/8/2021 6:22 PM
173	This is much needed and I'm excited to see what can be done!	1/8/2021 5:37 PM
174	More retail or nice restaurants would be awesome.	1/8/2021 5:36 PM
175	Biggest concern after living here 30 years, safety	1/8/2021 5:29 PM
176	Murfreesboro Rd. is a mess right now. An astonishing amount of retail and dining has vanished and we are left with dangerous, empty buildings and a community that has to leave our area if we want something more than Dollar Trees. We have no place to meet, have fun, or enjoy building community. The abandoned buildings contribute to unsafe conditions, invite and encourage a homeless population, and are unattractive. With all the growth in Nashville, why have we been left behind? I don't want to live in Brentwood with retail and apartments on every road. I also don't believe we should tolerate graffiti, unfinished business attempts, and business that doesn't improve the community or invest in our infrastructure like run down long term hotels, adult stores, and trucking industry. We have an amazing, diverse community with food, music, and heart. We should embrace this and encourage mom and pop start ups from our local talent to make Antioch a destination and still respect our community and our greatest resource, our beautiful green space.	1/8/2021 5:27 PM
177	We need much severely increased police and law enforcement agencies working our area and making a difference	1/8/2021 5:25 PM
