

CoC System Capacity Committee

August 29, 2019

8:30-9:30 am

Metro Social Services

800 2nd Ave. North, Suite 100, 37201

To create and implement a plan that ensures that the Nashville Davidson County Homelessness Continuum of Care has a fully functional, comprehensive, relevant, and readily accessible management information system to effectively provide services and continue efforts to effectively end homelessness* in our community.

**effectively ending homelessness means that homelessness is prevented whenever possible and when not, the community has a system in place that makes homeless episodes rare, brief, and one-time.*

Tentative Agenda:

- Welcome & Introductions
- Presentation from MHID on different data committee roles
- Role clarification: Ensuring that everyone understand what this committee does and does not do
- Follow ups from the June meeting discussion – Survey results review
- Next Steps
- Next Meeting: September 26, 2019, 8:30 am
