The mission of the Nashville-Davidson County Homelessness Continuum of Care is to create a collaborative, inclusive, community-based/inspired process and approach to planning and managing effective homeless assistance resources and programs (by which federal, state and local funding resources will be actualized to adequately fund all homeless assistance needs) to end homelessness in our community, consistent with 24 CFR Part 578.

As a system we are housing focused, person centered, data driven, and committed to the effective use of resources.

NOTE: The Nashville Coalition for the Homeless will meet just before, from 9-10.

Next meeting: December 20, 2018 – MAYBE CANCEL DECEMBER MEETING?

Meetings are usually held on the third Thursday of every month.
