Chair:

Carly Brown agreed to serve as the new chair of the Veteran workgroup. All supported her nomination. Judy Tackett will bring forth her name to Liz Allen Fey for chair appointment.

Other Business:

As we are going to meeting every two months, the group wants to revisit the meeting time. Judith Tackett will send out a Doodle Poll. She will also confirm membership of the group.

Judith Tackett reported that Rosanne Haggerty, the founder of Community Solutions, will be in Nashville. Judy asked if anyone wants to meet her and it was determined that it would be more beneficial to have her meet with the Mayor's Office and other leaders. Judy will report back after the visit.

Peggy Motel of Centerstone reported that the SSVF will look into a Rapid Resolution approach. She will report to the group at the May meeting about that.
