INTRODUCTION	5
OBJECTIVES, SCOPE AND METHODOLOGY	6
RESULTS OF REVIEW	7

INTRODUCTION

The Office of Financial Accountability (hereinafter referred to as “OFA”) has completed a monitoring review of Interfaith Dental Clinic of Nashville. A monitoring review is substantially less in scope than an audit. The OFA did not audit the financial statements and, accordingly, does not express an opinion or any assurances regarding the financial statements of Interfaith Dental Clinic of Nashville or any of its component units. The OFA is responsible for the internal monitoring of Metropolitan Government of Nashville and Davidson County (hereinafter referred to as “Metro”) agencies that receive federal and state financial assistance, including cooperative agreements and non-profit organizations that receive appropriations and Community Partnership Funds from Metro government. In summary, any agreement(s) that imposes performance and/or financial requirements on Metro government is subject to review by the OFA.

The purpose of this review was to assess the agency’s compliance with contractual requirements set forth in the following Resolution with Metro Government:

Contract	Type	Amount	Contract Term	
L-4611	Community Partnership Funds	\$49,000	March 01, 2020	December 30, 2020

Agency Background

Interfaith Dental Clinic of Nashville (“IDC”) founded in 1994 is a Tennessee nonprofit organization, dedicated to providing affordable dental care to uninsured working poor families and those over age 65 by providing access to affordable quality dental care, oral disease prevention services, and oral health education. IDC serves patients in ten Middle Tennessee counties.

OBJECTIVES, SCOPE AND METHODOLOGY

The objectives of our review were:

- 1) To determine whether the agency had the resources and capacity to administer the grant funds.
- 2) To determine if costs and services were allowable and eligible.
- 3) To verify that program objectives were met.
- 4) To test the reliability of the financial and programmatic reporting.
- 5) To verify contractual compliance.

The scope of our review was limited to the contract term March 01, 2020 through December 30, 2020.

The monitoring review procedures included meeting with agency management and staff, reviewing board minutes and obtaining written representations from management. In addition, we examined certain financial records and supporting documentation necessary to ensure compliance with contractual requirements set forth in Contract L-4611. Specific procedures included:

- Interviewing the employees responsible for grant management, financial reporting and accountability.
- Reviewing supporting documentation of expenditures for allowability, necessity and reasonableness.
- Reviewing the agency's general ledger and verifying the accuracy of all invoices submitted to Metro.
- Reviewing documentation to determine that funds were used for intended beneficiaries and expended in accordance with the spending plan of the contract.
- Reviewing documentation to support program activities for consistency with grant requirements.
- Assessing the financial stability of the agency and its ability to continue to administer the grant program funded by Metro.

RESULTS OF REVIEW

The overall results of the monitoring review are provided in this section. Results are based on testwork performed and include conclusions regarding specific review objectives and, if applicable, recommendations for improvement and an action plan for implementation. Where applicable, the Findings and Recommendations section of this report provides more insight into any issues identified below.

1. Sufficient Resources and Capacity to Administer Grant Funds

Our review of the agency's accounting system and the qualifications of the individuals assigned to manage the accounting records indicate that the agency possesses the necessary resources and professional expertise to effectively administer the grant funds.

2. Allowable and Eligible Costs and Services

Our review covered all core compliance areas identified by 2 CFR Part 200: *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Additionally, the Metro Grants Manual requires separate accounting of the Metropolitan Nashville Government grant funds to prevent co-mingling of Metro Funds with other sources of funding. The agency was in compliance with this requirement. Different revenue classes as well as expenditure classes have been established to separately track the sources and amounts of funding. Also, the agency can easily and accurately report their expenses supported by the Metro grant.

Based on our test work, costs and services during the period were allowable and eligible.

RESULTS OF REVIEW

3. Program and Performance Objectives

The contract stipulates that the agency shall use the funds for additional staff and patient personal protective equipment, technological air-cleaning equipment, specialized external suction devices to reduce aerosols that filters air near patients' mouths, and similar adjustments necessary resulting from the COVID-19 pandemic because dental work involves close proximity of patient and dental workers.

Based on our review of program documentation and discussions with staff, the program performance objectives were met, and the agency was in compliance with contractual program objectives.

4. Reliability of Financial and Programmatic Reporting

The contract requires submission of an annual audit report performed by a Certified Public Accountant. The contract also requires the agency to submit to Metro Social Services final expenditures report by January 15, 2021 and final program outcomes within 30 days of the end of the grant contract.

We reviewed all applicable financial and programmatic reports required by the contract, including audited financial statements. Based on our review, the agency complied with all financial and programmatic reporting requirements.

5. Civil Rights Requirements

Our review did not reveal anything to indicate that the agency was noncompliant with civil rights requirements. The agency also has necessary written policies and procedures relating to civil rights. The agency has not received any complaints regarding any form of discrimination. Further, civil rights and ADA postings are publicly displayed.
